**MNN. 26 Apr. 2012.** Mohawk Nation News [MNN] was established to archive the hundreds of stories covering Mohawk Nation and Indigenous issues over the last 22 years.

We have rebuilt the entire website to serve our communities, with which we stand together as one, and those that seek to understand us, more effectively.

The new site is dedicated to **Karoniaktajeh** the Mohawk visionary, artist and writer who died at 77 in 1993.

The new website is packed with:

- Hundreds of MNN stories and reports
- A list of skilled Speakers and Workshops
- The award winning film, "Acts of Defiance" about the 1990 Mohawk Oka Crisis
- Books that can be purchased online
- A PayPal donation area

**Nia:wen**, thank you, for your patience and confidence. It is a wonderful new website. Your comments and suggestions are appreciated.

A special thanks to Claudia Julien without whose hard work and dedication to our cause, this day may not have come.
