

## CANADIANS: YOU STAND ON GUARD FOR THIS?

### Description

Please post & distribute.

June 12, 2017. The colony of Canada was registered as a corporate company in Washington DC, owned by the Vatican shareholders. On July 1<sup>st</sup> you celebrate corporatism, also known as fascism, as Canada is one of the first in the world to be accepted without holding them accountable for murder, kidnapping, and land theft.

### Meanwhile in Canada

**One in twenty-five First Nations children died while attending residential schools.**

**One in twenty-six Canadian soldiers died in World War II.**

1867 created the corporate fiction that imprisons us. It was and still is the Dominion “Colony” of Canada. The “Family Compact” and “Chateau Clique” formed a union between their

**municipalities in Upper Canada, Lower Canada, Nova Scotia and Prince Edward Island.**

royalty. Today they are the bankers.

Before 1867 they paid rent into the Indian Trust Fund, which became the largest in the world.

On July 1, 1867, the first act of the corporation was to steal our money, the “Indian Trust Fund”, to build Canada, which they fraudulent claimed

They declared us non-human and actual deer. Every Canadian judicial statute passed they created were never rescinded. The

who do not stand with us are complicit.

The G20 military attack of the citizens of Toronto landed 2,600 Canadians in a temporary prison in a warehouse, which became known as “Torontonimo Bay”.

Canada is still the Dominion of Canada, a private colonial corporation, whose owners reside in the City of London, in the Vatican and in Washington DC, all owned by the Crown.

MIA sings of the plight of all true people of the land:” [Who the hell is hounding you in the B-M-W. How the hell he find you, 147’d you The feds gon get you Pull the strings on the hood. 1 paranoid youth blazin’ through the hood“.](#)
