Howard Thompson No Longer Recognized as Wolf

For Immediate Release

Akwesasne Mohawk Territory - December 12, 2024

It is with a heavy heart, that the leadership of the Wolf Clan family of the Bear Clan family of Tehana'karl:ne, hereby publicly consider Howard Thompson to be a Kanien'kehá:ka Wolf Clan Representative of the Haudenosaunee Confederacy. It is the position of our clan families that Howard Thompson is not a Rolá:ner for the following reasons.

Howard Thompson has been unwilling to meet or deliberate with the Council of Chiefs and the clans they represent, including his own clan. His behavior has crippled the functionality of the Mohawk Nation Council, our consensus-based decision making process and his responsibility as a Rolá:ner. It is important to also note that he has not attended the Haudenosaunee Grand Council in years and selectively chooses, or does not, to meet. The Kaianere'kó:wa (Great Law of Peace) states that inaction is a crime. Moreover, Howard Thompson has never reported on any news related to the Haudenosaunee Grand Council.

by some Rotiá:ner and their helpers to reason with Howard Thompson with resistance, hostility, and ultimately ignored. Howard Thompson is a People of the Longhouse, his clan, and his brother and cousin Rotiá:ner settlement. He remains steadfast to signing this agreement, demonstrating his mind, rather than working towards One Mind as the Kaianere'kó:wa teaches.

We share this notification now, as we cannot wait until after he signs, which potentially destroy our inherent claim to our ancestral lands. Attempts to discuss this issue with his Clanmother, who refuses to discuss these issues. Add Rarontanónhnha (Sub-Chief), who would play an important part in the decision, to him unremovable through the three-warning protocol. He exists as a mechanism.

Therefore we have no choice but to no longer recognize Howard Thompson as a Haudenosaunee Confederacy, as he has acted independently of his brother and has passed into the void beyond Telonihtiohkwanhákstha (the Circle of Antlers behind in the circle. This also applies to his followers.

While this is a sad occurrence, it is our hope that it will lead towards a new People of the Longhouse of the Kanien'kehá:ka Nation. We invite other Kanien'kehá:ka communities to support this decision. In the meantime, the Mohawk Nation Office at Akwesasne to ensure that no further communication of the nation without due democratic process.
