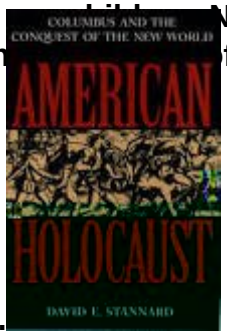
MNN. Aug. 10, 2017. When the Caucasian race invaded any country for exploitation, they committed horrendous atrocities. They tried to populate the world by implanting their evil seeds through raping native women to create slaves.

Caucasian men have lost 60% of their sperm count in the last 45 years, mostly in North America, Europe, Australia and New Zealand. In three generations they will be sterile.

Men of color remain virile and potent. In modern time mostly toxic Caucasian males carry out threats, torture, massacre, bombings and warfare of non-Caucasians to demonstrate their masculinity and compensate for their sterility.

The invaders set out to murder us followed by programs of genocide like making our women barren, kidnapping and torturing children. Now its vaccines, new diseases and government sterility programs. Bill Gates with the UN set up depopulation clinics in India. He got kicked out and is being sued.



Trump shows off his kids. In mixtures of white with a person of color, the offspring is not accepted as Caucasian.

Impending sterility of Caucasians could be causing concern to the West. Sperm banks are used to store sperm and provide future fertility. Hitler failed in his attempt to design a perfect Aryan race.

These wheeler dealers and millionaires, trying to run the world, are actually shooting blanks. Theyâ??ve massacred people of color throughout history in India, turtle island, South America, Middle East, Africa and Asia.

Nature has no use for genocidal maniacs. People with inferiority complexes always strive to be in positions of authority. They want to control people of color and to enslave them.

They need victims to get their fix, to satisfy their blood lust. Itâ??s called â??feedingâ??, like vampires. They get pleasure out of antagonizing, torturing and harassing.

Narcisists donâ??t murder physically but will murder mentally. Itâ??s all a game. They never accept responsibility for their action and never get charged or punished. Killing us satisfied

their buzz. Otherwise they would have stopped themselves, like killing Vietnamese for no reason. Their handlers also have low sperm counts.

No children, no future, no hope . . .
