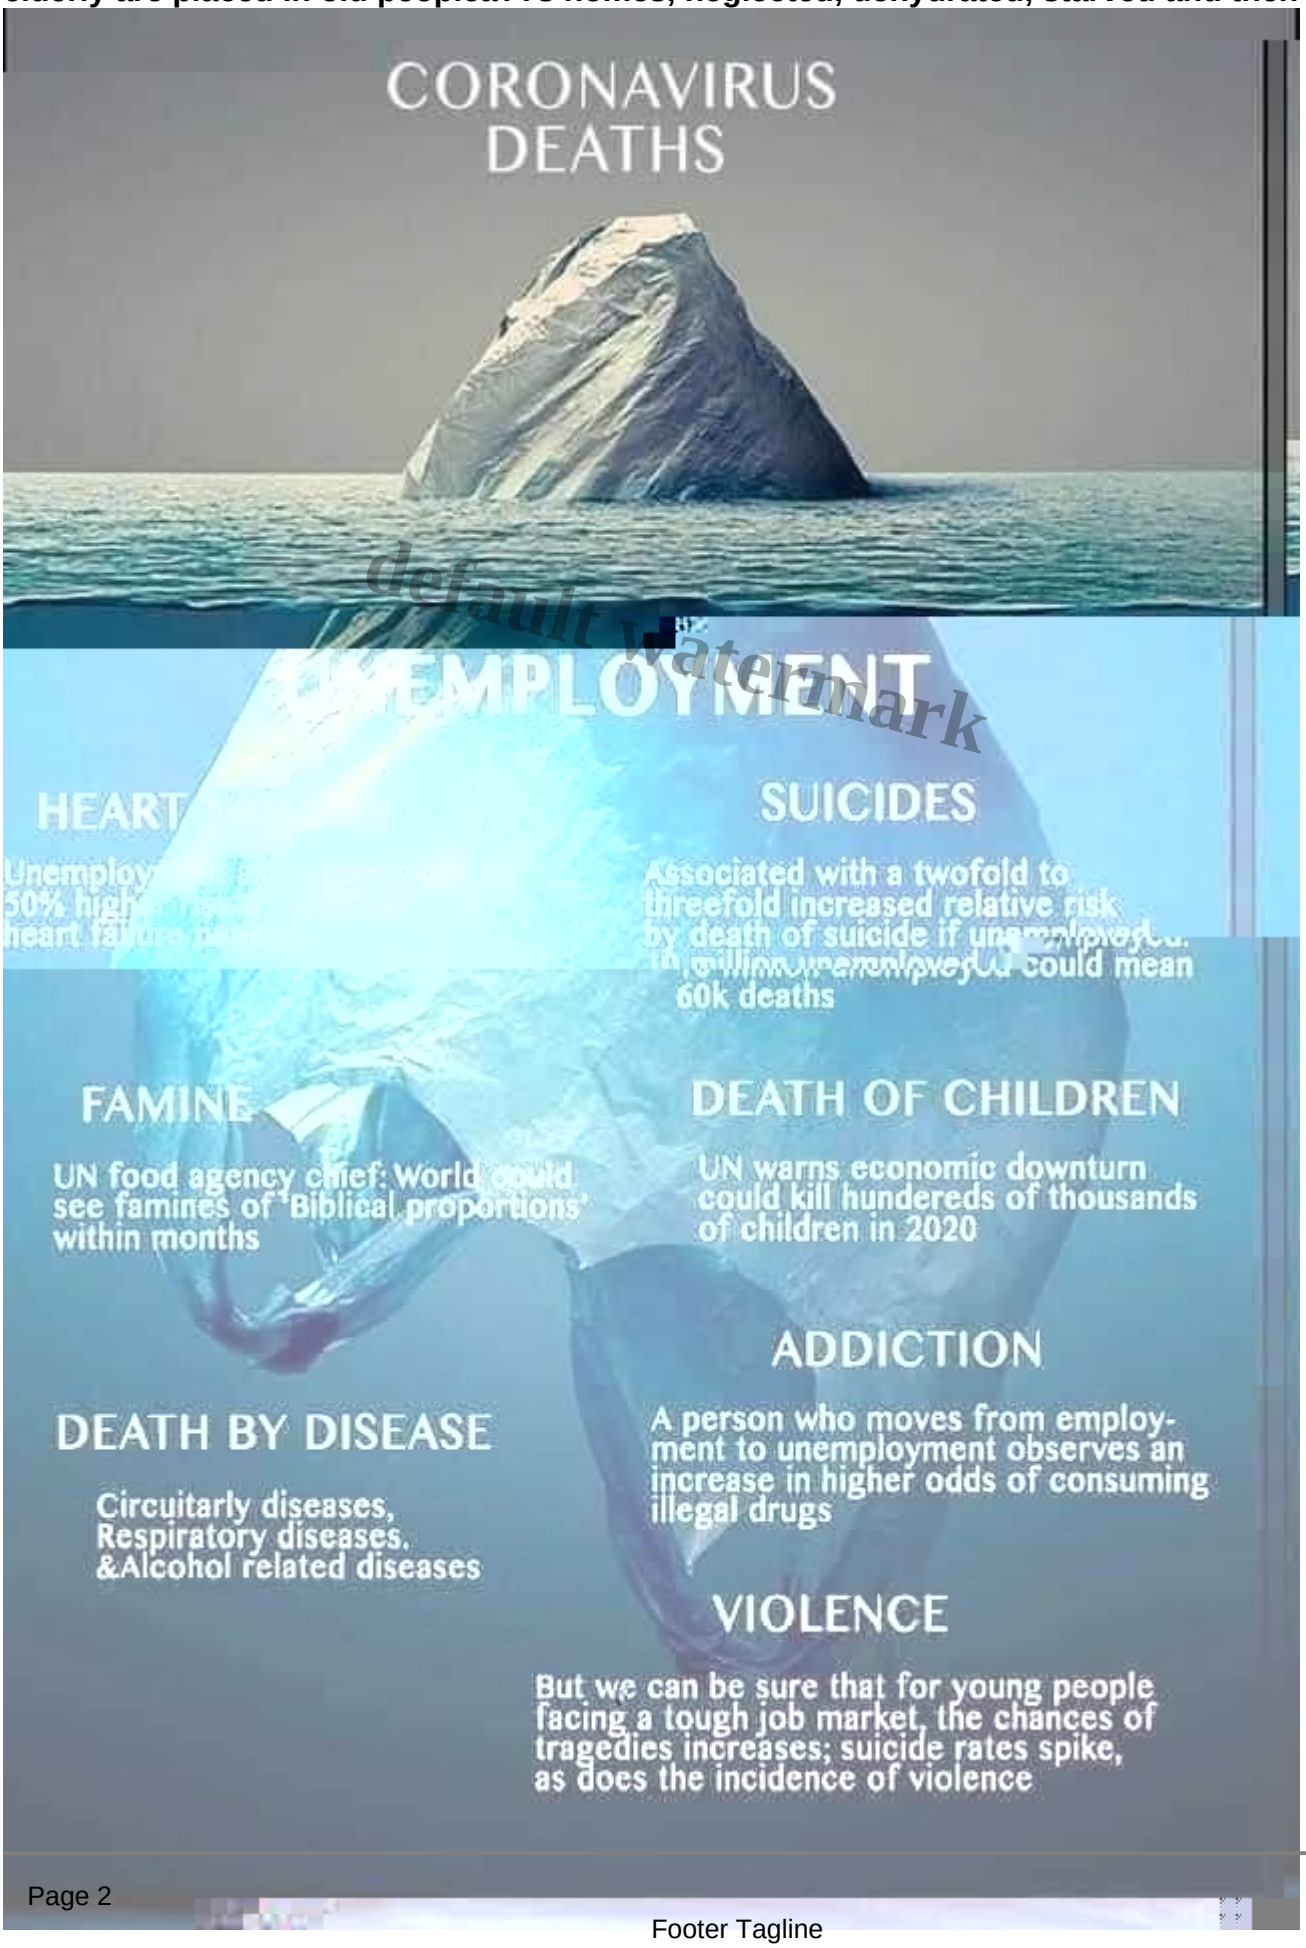
MNN. Oct. 27, 2020. Many places have accepted the right to die law on â??euthanasiaâ?•. The elderly are placed in old peopleâ??s homes, neglected, dehydrated, starved and then they die.



Today the war is for control of the world by 3 groups of serpents who want to cut 90% of the world population by 2024. Euthanasia reflects a death wish culture which has been conditioned into their minds. They are losing their survival instinct by constantly thinking of and discussing death. The first invaders to turtle island were the French, English and Spanish. After WW II five countries got the atomic bomb to kill people â?? US, UK, France, Russia and China. Now others are fighting to have it too.

Itâ??s a capitalist game. The instinct for self preservation is being phased out or numbed. The human race is walking around thinking theyâ??re going to die. The â??Death Wishâ?• culture is implanted in education, entertainment, books, media, discussions on the radio, work place environment, video games to train the killers to bomb from afar, hopelessness rhetoric, etc.

People casually talk about wanting to die when their lives are unsatisfactory or donâ??t meet the fake standards set by the capitalist system. Pills are sold for all kinds of imagined new fangled ailments. Pills are made for anti-depression medications that arenâ??t working. To make more money the pharmaceutical industry want people to die slowly by unnaturally destroying their organs, especially the liver.

Racial hatred is one of the most useful tools. Almost everybody hates somebody for imagined reasons. On the surface they are told it isnâ??t nice to hate, which their conditions hatred that

The goal of residential and day schools was to program self-defeat, hopelessness and demoralization in the native people. It failed because of our closeness to the natural world. The invaders are confused about their purpose for being here where they donâ??t belong. They canâ??t find meaning in their meaningless existence. Some are running to nature but canâ??t find it. Their lives and deaths are still controlled by the capitalists. Everybody is tired of the virus but the virus has not lost interest in us.

People wait to be told what to do instead of using their minds. â??Put on your maskâ?•, â??wash your handsâ?•, â??stand 6 ft. apartâ?•, â??donâ??t go to partiesâ?•, â??today 6 people only in your groupâ?•! Answer to a bell like an animal. â??Wait for the clockâ?• to run your lifeâ?•. Everybody gets asked, â??Do you have a fever, headache, diahorrea, lost taste buds, shortness of breath, flu like symptoms, or a death in the family?â?• . We are constantly monitored and threatened with fines and jail time for not following these rules.

When the government serpent grabs somebody by the throat, it gradually tightens its grip and squeezes the life out of the victim. The world is like a serpent that has wrapped itself around the human race. People donâ??t know how to fight the serpent that hides behind the virus. Then it comes out and snaps its tail with a death blow. Humans are made to think they have no choice.

The largest most powerful multi national concentration of power is the pharmaceutical industry, controlled by the serpents that are squeezing the life out of humans. They make more money when they put a slow death stranglehold on the human race.

Few are hearing the truth. Their goal is to crush the human spirit with an unknown vaccination program that might turn us into GMOs. The human spirit can win. The truth is there but weâ??re not suppose to see or find it. Itâ??s a secret puzzle that hypnotizes everybody. Time to open our eyes, use our minds and follow our natural instincts. The truth will rise up and show us how to survive. Hitler said the biggest weapon is to make up the biggest lie and tell it over and over again. The biggest lie will rule the world when told enough times. The only way to defeat a big lie is by grabbing and spilling out the whole truth. Donâ??t let the COVID serpent win.

Rumours of our extinction are greatly exaggerated. The worldwide COVID hypnotic spell has entered like a worm that bores a hole inside us and forms a nest. The absolute truth can remove this worm from the subconscious. The best lesson in kindergarten was about lying. Anything based on a lie will always be a lie no matter how many other lies are told or time passes to back it up. It will always be a lie.

FOOTNOTE: Presently schools and workplaces are full of COVID which are kept secret to keep people occupied and afraid.

Freddie Mercury sings the truth in his song â??Liarâ?•. *â??I have sinned, dear father. Father I have sinned. Try and help me father, wonâ??t you let me in. Liar. Oh, nobody believes me. Liar. Then why donâ??t you leave me alone?â?•*
