MNN. Nov. 3rd, 2020. The New World Order NWO is polluting the Finger Lakes, which is the source of all major rivers in northeastern United States. It is also the source of the greatest true democracy in the world that came from the Iroquois Confederacy. The Confederacy and its allies still maintain unceded sovereignty over the Western Hemisphere. Obviously Hunter Biden wants to show by his tattoo of the Finger Lakes on his back that he is part of the source of the pollution that is entering the water systems in eastern United States. [See story below].

Our mother earth and creation have not been asked about this unnatural white man invented â??new world orderâ?? plan from Klaus Schwab [GREAT FASCIST RESET]. Our mother and creation have all the say. No one wants to go to war with nature because they will lose. To set up the NWO the indigenous people of turtle island will have to be removed so as to turn turtle island into terra nullius, unoccupied land. Then they think they will own our land and all the resources.

Our ancestors warned us of this day. Donâ??t let them put those 5G wires all over your head. The 1 percent wealthy elite think they are going to run the NWO with their polluted and twisted minds. Critics are going be moved into dissenter camps across turtle island [North America] and throughout the world. We are the spiritual true owners of turtle island, the Western Hemisphere. They want us â??disappearedâ?•. Theyâ??re not sure how to do it. They avoid making a covenant of peace and have a hands-off relationship with us. We will tell them to stay in their ship and we will stay in our canoe.

We are sad and alarmed that US, Canada and others are being taken in by lies coming from the NWO. The invaders have no good purpose in life because they have cut themselves from their own aboriginal roots throughout the world. They have always tried to cut us from ours. They cannot re-attach themselves to nature unless they go back to their own homelands and regain their connection to their ancestors. They donâ??t belong here. Things must be settled with us based on the great peace and the damage done to our mother earth must be fixed.

We are sad to see people walking around Walmart wearing masks walking in circles, not knowing where they are going. Their eyes are empty as they donâ??t know whatâ??s going to

happen next.

Our feet are rooted in the ground and we know who we are.

The elites are planning to rule all humanity through the â??financialization of Natureâ?•. A leaf cannot turn into a dollar bill. True wealth is the good things that one does for other people. It is impossible for anyone to steal and patent all of the planetâ??s biodiversity, including the oceans. Idiotic nonsense! This is how distorted minds see the natural order. Making deals with each other to eventually sell each other out. When they get what they want, they become even more possessive and greedy with each other and everybody.

Canadian Justin Trudeau and Joe Biden support the NWO. They think that somehow they will become kings with their own thrones. In fact they will be lapdogs for their NWO masters. Our mother earth and the natural power of creation will fight them if they donâ??t live by natureâ??s rules. They will become sick and die.

We donâ??t have to accept the NWO fascism, the fear mongering, the smartphones, the DNA editing, the walk into their transhuman hell. We will not be taken over, even in the smallest way. We will not give up our own personal sovereignty of our body, mind and energy.

Promises of jobs for everybody, 24 hour surveillance, vaccines with nanobots to change our DNA, eugenics, technocratic pharmaceutical hell and constant threats. The invaders follow any whim or idea that floats by them to make money. We donâ??t care what is promised. Our body and minds are made to heal themselves. Our feet are planted into solid ground. We can defeat them with the guidance of the great peace.

Those corporations called countries became big powers because they have nuclear bombs to drop on people. After World War II a decision was made that 5 nations will have an atomic bomb. France, England, Russia, China and the US. Then Israel, Pakistan, India and North Korea also got the bomb. Now they want to rule the world not because they are smart diplomats who want peace for all humanity. They are cabals that want world domination with everybody licking their feet. The biggest fear is that the nuclear bombers will rule the world as a group. Thatâ??s not going to happen!

Only the Iroquois and the kaianerekowa, the great peace, can stop this madness. When we make peace, we bury the hatchet. Dekanawida went to Atotarho, the chairman of the Iroquois Confederacy, to bring peace between warring peoples. A true peace can only be created when everybody gives up their weapons. They leave them at the door and shake hands and start to talk. World peace will come when we say, â??You are going to bury all your bombs!â??

An Iroquois, Ely S. Parker, sat between Robert E. Lee and Ulysses S. Grant, and got them to trust him. They felt comfortable and gave up their arms and anger. The South surrendered to the North in dignity. The Iroquois knew this was necessary to keep a real peace between them. Then they planted the tree of peace to replace the weapons.

Creation will always give you what you need. The NWO will try to control the food supply but nature will not let them. The NWO wonâ??t let anyone have anythingBT 35conBT sCrman of but

hands which signifies the work they will be forced to do for the NWO. We donâ??t have to submit to this. Nature will always supply our needs.

We cannot cooperate with the New World Order. Watch out for that vaccine. Donâ??t pay your phone bill. 85% of the world donâ??t have phones, or computers or reception anyway. Go â??unbankedâ??. Save yourself.

Our grandparents never drove a car, worked their 100 acre farm by hand, with no electricity, no phones, no running water. They raised 10 children who had other children. There are now over 1,000 kanienkehaka/Mohawks from those two people. Our grandparents proved that the NWO wasnâ??t necessary to supply our needs.

We will always find a way to survive.

Letâ??s bury fascism. It violates natural law. It will destroy itself.

The band Muse has a song we should all be singing right now: â??Paranoia is in bloom. PR transmissions will resume. Theyâ??ll try to push drugs and keep us all dumbed down so that we canâ??t see the truth around. Another problem. Another scene. Another trapped lie to keep us trapped in greed. With all the green belts wrapped around our minds, so we can never see the truth around. So come on. [Muse. Uprising].
