MNN. Jan. 28, 2016. The Rotinoâ??shonni [Iroquois] and Russia have a binding alliance that goes back to 1710. Five chiefs went to Queen Anneâ??s Court in London to meet with the 13 families. It was the worldâ??s first international peace conference on the law of the land of Great Turtle Island Initiated by us. Wampums were presented to each family. Tsar Peter the Great of Russia took the wampums and our message back to Russia.

Canada threatens ancient mohawk allies of Russia [MNN April 2014/04/18]. Belts are in the Peter the Great Museum of Archaeology in St. Petersburg. An alliance was established between rotinoâ??shonni and the Russians. As our alliance provides, we always stand by our allies. In both World War I and World War II as sovereign non-Americans and non-Canadians, we declared war on Germany. onkweâ??hon:weh declare war on Germany.

http://www.history.army.mil/html/topics/natam/natam-wwii.html In 1918 we declared war on Germany. Since we were not included in the 1919 Peace Treaty, we simply renewed our Declaration of War in 1942 and included Italy and Japan as our enemies. The Six Nations (Mohawks, Oneida, Seneca, Cayuga, Onondaga, and Tuscarora) declared war on the Axis Powers. rotinoâ??shonni went to war and risked their lives to fight imperialism and Nazism. They returned to onoâ??are:ekeh, Great Turtle Island, and the genocide continues.

Angus Horn of Kahnawake was a spokesperson on the occasion in 1942.

In 1942 Joseph Stalin was presented with a present to remind him of our ancient alliance. It is in the Moscow State Museum of Contemporary Political history.

100 million onkweâ??hon:weh were annihilated on orders of the Vatican. Russia never participated in the biggest holocaust in all humanity. They have announced that they are building an acknowledgement of the â??North American Indian Holocaustâ?•. It will stand next to the US Embassy in Moscow. Had they not stolen this they would not exist.

In this proposed acknowledgement by Russia, we want our view represented as those who continue to protect the kaiaâ??nere:kowa, the Great Law of Peace, on this land. The Papal Bulls of the Vatican gave the impression that God gave them the right to get away with all crimes. The Jesuits worked with the British under the direction of the Vatican to carry out this holocaust, the biggest in all humanity. The corporations of US and Canada base their illegal existence on this act. The world has to acknowledge and act upon pressuring them to take full responsibility and right the wrongs they have committed. They must stop standing in the way of kaiaâ??nereh:kowa flourishing throughout the world and establishing a true world peace.

The corporate INDIANS known as tribal and band councils do not represent us. For background read: â??1492â?• by Charles C. Mann, â??A little matter of genocideâ?• by Ward Churchill and â??Stolen Continents by Ronald Wrightâ?•.

The Bureau of Indian Affairs in Washington and Indian Affairs in Ottawa are the operation centers to continue the CROWNâ??s goal of 100% eradication of the onkweâ??hon:weh population throughout the Western Hemisphere. Against all odds, we are still here protecting the peace, which is still the law of this land, no matter what the shareholders of the corporations, the banksters, say.

onkweâ??hon:weh symbol for world peace.

As the prophet, Jimi Hendrix, reminds us: **â?•Oh, remember the mockingbird who use to sing for his supper babe. He use to sing for his dinner babe. He use to sing so sweet. But since my baby left me he ainâ??t sang a tune all day. Remember, the blue birds and the honey bees â?¦â?•** [Remember] JIMI HENDRIX: â??REMEMBERâ?•.
