

GUSTAFSSON LAKE MILITARY SEIGE 1995

Description

MNN. Feb. 17, 2025. This is about events at Gustafsson Lake BC when native sundancers were attacked by the military in the summer of 1995. Canada went to war with nature and the indigenous people who are the custodians of turtle island. The Gustafsson Lake Defenders were sun dancing on their unceded original land. Indigenous are the most endangered humans on earth who continue to struggle for survival and peace. Our spiritual ties to our mother earth cannot be broken. These are some of the RCMP 'training tapes' of the war declared by Canada against the Tsepeten of the land now called British Columbia. Karma is on its way.

Jimi Hendrix tells us to 'remember' moments in time like us fighting for justice. We can't forget our struggle against the structures that are in place so that people will forget us.

*Oh, remember
The mocking bird, my baby bought
He used to sing for his supper, baby
Yes, he used to sing for his dinner, baby
He used to sing so sweet
But, uh, since my baby left me
He ain't sang a tune all day
Oh, remember
The bluebirds and the honey-bees
They used to sing for the sunshine
Yes, they used to sing for the honey, baby
They used to sing so sweet
But, uh, since my baby left me
Ain't sang a tune all day
Ah, baby
Hey, pretty baby
Come on back to me
Make everybody
Happy as can be, yeah!
Oh
So, baby
If you please come home again*

*You know I'll kiss you for my supper, yeah
You know I'll kiss you for my dinner, baby, now
But, uh, if you don't come back
You know I'll have to starve to death
'Cause I ain't had a kiss all day, now
All day
Please remember
Got to remember
Yeah! Got to remember our love
Come on back, uh
Come on back in my arms
Make everything back together
Ah, baby, hurry up now
Can you hear my calling you back again, now?
Come on, baby
Stop jiving around
Hurry home, hurry home
Jimi sings
See the happenings of 30 years ago:*
