THE â??CAROUSSELâ?• IS SPINNING OUT OF CONTROL!

Description

MNN. Sep. 17, 2026. The Two Row Wampum and the original indigenous languages were meant to stop all the evil that was coming to great turtle island onowarekeke. The colonial banker, now the Prime Minister of Canada, Mark Carney, without our knowledge or permission, is offering his foreign followers, the settlers and the globalists, a unique experience. â??Canadaâ?• Inc. comes from the Mohawk word â??canadienâ?• meaning â??squattersâ??. The King of England owns the corporation known as â??Canadaâ??. Canadaâ??s settler colonists vote for the Prime Minister of the colony to rule over them. His job is to run the dayâ??to-day operations for the corporation owner and to increase growing dividends for the international shareholders. That is why the Prime Minister swears allegiance only to the King of England.

To remind the world, the Corporation of Canada in July 1, 1867 is registered with US Securities & Exchange Commission as #00002300.98; and US is registered in Columbia Organic Act of 1871 as UNITED STATES OF AMERICA TA #000109556.

Because Canada and United States are corporations they cannot be countries because of the MONTEVIDEO CONVENTION ON THE RIGHTS & DUTIES OF STATES, 26 DEC. 1933. The United States, Australia, Canada and New Zealand had to incorporate as they are not: [a] an aboriginal population; [b] their land is not aboriginal]; [c] Their culture is not traditional; and [d] their imported languages are not indigenous.

The Plan: the corporation of the US now wants total â??controlâ?? of the corporation of Canada especially in all security matters through a private agreement with Canada that Canada must guarantee forever! No US adversary will ever have a base in Canada or make investments without US approval. NATO will provide deterence and defence. US will deter Russian and Chinese influence in Canada. US will increase military presence in Canada without transfer of Canadian sovereignty to the US. This agreement will strengthen US corporate sovereignty in the Arctic, North Atlantic and Europe and will be signed at the UN in New York City.

Notes on Indigenous Participation: The Iroquois Confederacy, one of the original indigenous people of turtle island, are expected to hand over on behalf of all indigenous people on turtle island all sovereign authority over them to the US government to set up the â??New World Orderâ??. Only the Confederacy and original indigenous people, as stewards placed on onowarekeh turtle island by Creation, can divert this move. We are connected to the earth forces which can stop the evil forces that have come upon us so we can instead bring peace, not war. All citizens will need to speak one of the indigenous languages of great turtle island and live by the kaianerekowa, great peace, the original constitution of onowarekeh.

â??YEAH! IT WILL ALWAYS BE OUR LANDâ?•.

Like a tree planted into the ground and its nourishment comes from the ground, only Creation can divert the land, nature, resources, and even the natural people. We cannot be disconnected from the forces of our life and land. Only we indigenous are the sovereigns of turtle island which is how we maintain our power and duty to exist here. Those going against the original way will be â??de-hornedâ??. There can be no Confederacy or original indigenous people anywhere in the world without the presence of the original keepers of the land placed by creation. Our feet are the roots in the ground which cannot be yanked out by foreigners to disconnected us from our original homeland. We must remain with our earth mother which is the original source of life of planet earth.

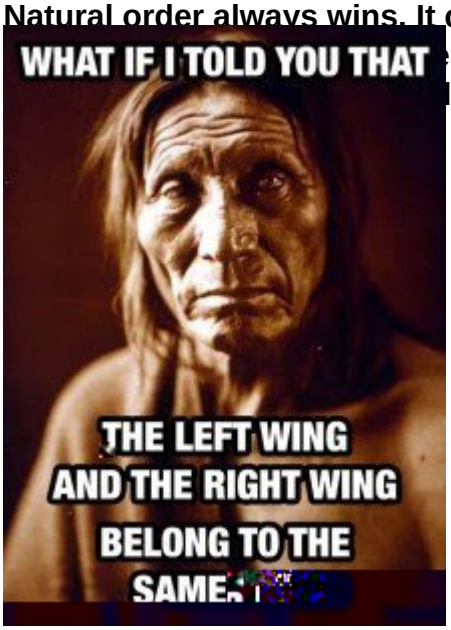
Natural order always wins. It cannot be violated by unnatural order. Even AI-created fear will come from foreign lands where their original spirit lies. The spirit always win.



Melanie Martinez sings â??Carousselâ?• about how everybody is on a dark toxic ride chasing something unreachable:

Round and round like a horse on a carousel, we go
Will I catch up to love? I can never tell, I know
Chasing after you is like a fairytale, but I
Feel like Iâ??m glued on tight to this carousel

Come, come one, come all
You must be this tall
To ride this ride at the carnival
Oh, come, take my hand
And run through play land
So high, too high at the carnival
And itâ??s all fun and games
â??Til somebody falls in love
But you already bought a ticket
And thereâ??s no turning back now
Round and round like a horse on a carousel, we go
Will I catch up to love? I can never tell, I know
Chasing after you is like a fairytale, but I
Feel like Iâ??m glued on tight to this carousel
This horse is too slow
Weâ??re always this close
Almost, almost, weâ??re a freakshow
Right, right when Iâ??m near
Itâ??s like you disappear
Whereâ??d you go? Mister Houdini, youâ??re a freak show
And itâ??s all fun and games
â??Til somebody falls in love
But you already bought a ticket
And thereâ??s no turning back now
Round and round like a horse on a carousel, we go
Will I catch up to love? I can never tell, I know
Chasing after you is like a fairytale, but I
Feel like Iâ??m glued on tight to this carousel
Why did you steal my cotton candy heart?
You threw it in this damn coin slot
And now Iâ??m stuck, Iâ??m stuck
Riding, riding, riding
Round and round like a horse on a carousel, we go
Will I catch up to love? I can never tell, I know
Chasing after you is like a fairytale, but I
Feel like Iâ??m glued on tight to this carousel
