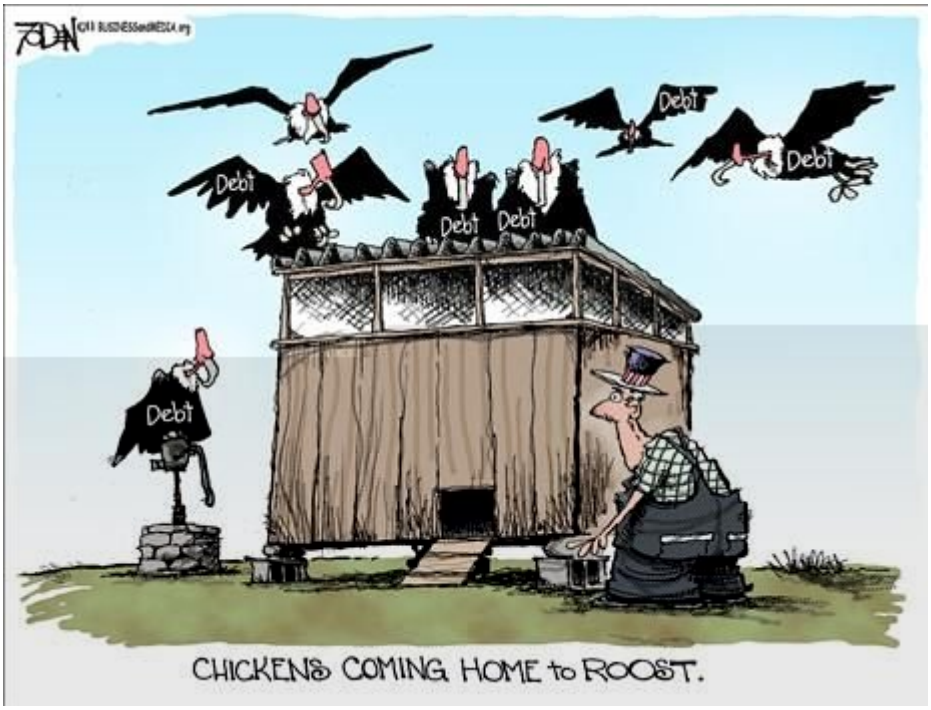
Please post & distribute.

MNN. May 3, 2018. Bad deeds always come back to destroy the perpetrator. The invaders mass murdered us. This curse hangs around their necks.



THE CORPORATE GIT-GIT HAVE NO PLACE TO GO.

The white serpent is squeezing us so tight we can hardly breathe. The AFN meeting in Hull on May 1 shows that the hypocrisy and vengeance of 500 years continues. It will stop now! The colonizers will try to create more rules, laws and prisons to kill us and surround us with their privately owned courts.

The Assembly of First Nations AFN helps their masters implement the â??final solution to the Indian problemâ?•. The corporation of Canada gives AFN the weapons of mass destruction called â??Bill this-or-thatâ?•. The main armament is our money. The orders are for the execution of our people.

Our young people are raped and killed. Our children are kidnapped and thrown in the prisons.

TEHOIENWAKON. WE ARE OF OUR MOTHER.

Treaties are nothing. They are not our protection. The invaders sued for treaties for their own protection. They came to us, tewatatawi, for the right to stay on turtle island. They broke every agreement. When an international agreement between nations is broken, everything reverts to one day before the agreement was ratified. turtle island is the land of the original people. Now the colonizers lie and say they have rights. They have nothing. They must leave so we the natural people can be free as birds. The settlers mindset is, â??I will fight you for my house!â?•

Canada and US are not sovereign without our land and their own inherent languages. [Montevideo Convention 1932]. We have our languages and our land as creation intended. Their delusion is to rid the world of hundreds of millions of native people, steal all our land, rewrite the history so they get away with the crime. In Canada the plan to force us to become artificial citizens. The AFN helps the colonists to fraudulently hold our land so the London bankers can fleece the people even more. Duncan Campbell Scott said in his â??100 year planâ?? that in the 9th decade the Indians will voluntarily pay taxes!

KWES-KWES INVADERS & THEIR PIGLETS GOBBLE UP OUR DISH! OINK! OINK!

These house Indians love their master more then themselves. The tehoienwakon will stand until they win.

Sam Cooke sings about the pain inflicted on us by our own brothers and sisters who pose as our people but have given up their birthright: *â??I was born by the river in a little tent. Oh, and just like the river Iâ??ve been running ever since. Itâ??s been a long, a long time coming But I know a change gonâ?? come, oh yes it will. Itâ??s been too hard living, but Iâ??m afraid to die â??Cause I donâ??t know whatâ??s up there beyond the sky. Itâ??s been a long, a long time coming, But I know a change gonâ?? come, oh yes it willâ??*. [A change is gonna come].
