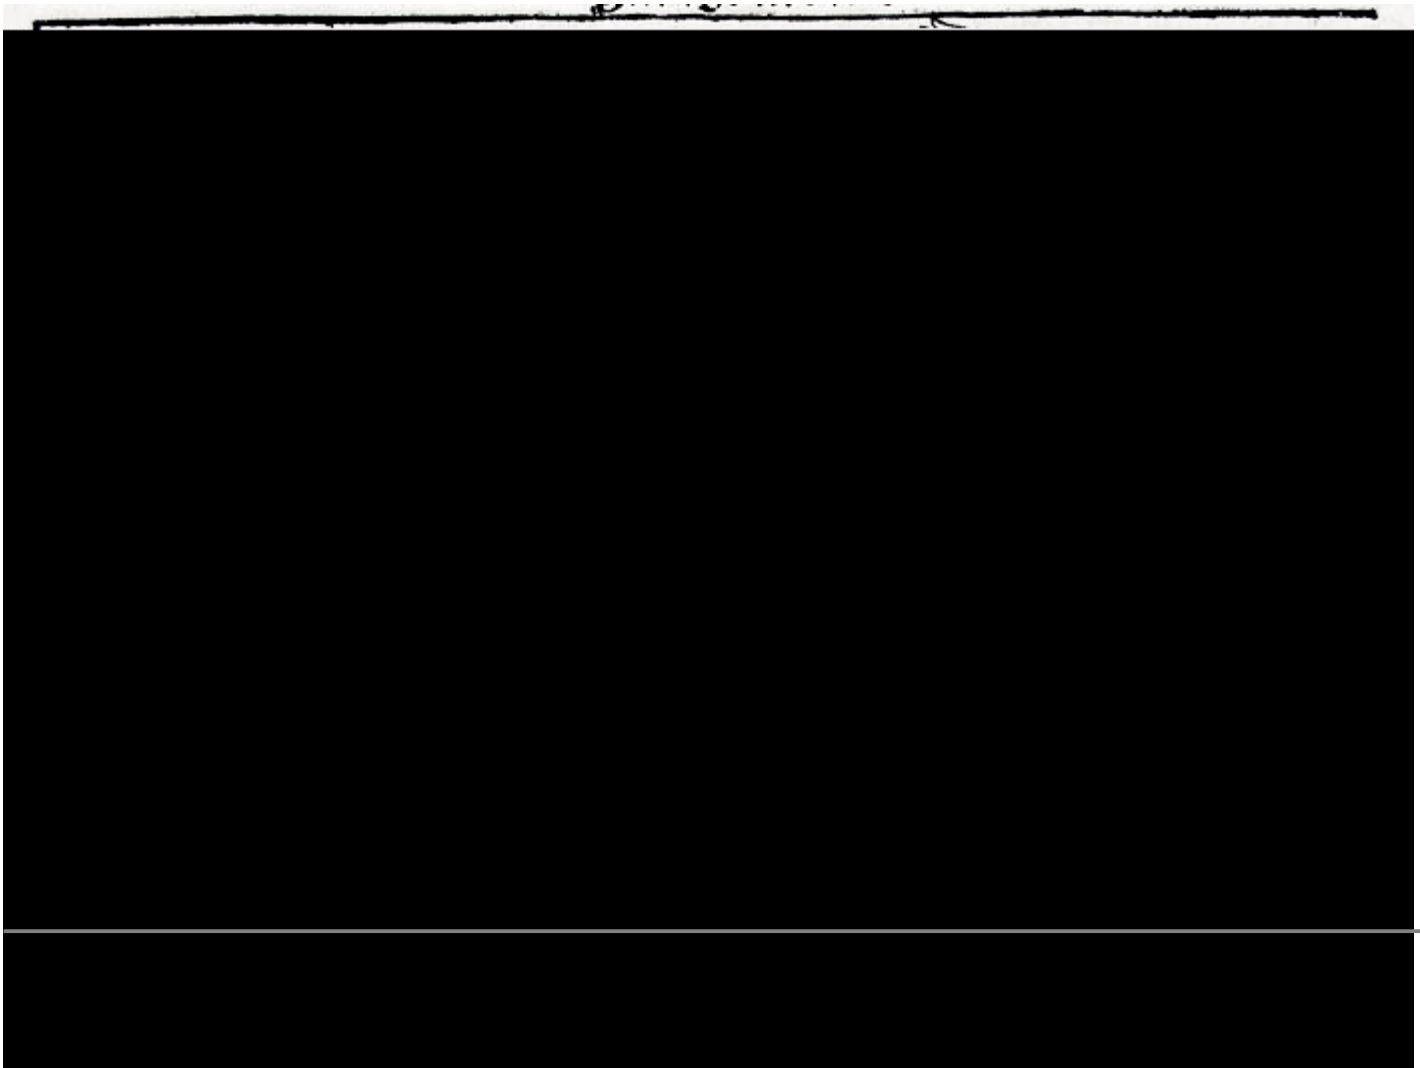
MNN. MAY 17, 2018. The invaders arrived here on turtle island, mass murdered us, forced us survivors to live on the back corner of our mother earth to die off. For 500 years the invaders beat our mother almost to death, drain her, poison her, rip apart her insides, deface her. The invaders are ordering us to not care about or love our mother. No one can stop us from loving our mother. We will never give permission to anyone to rape, pillage or kill her.



â??DEATHâ?? DANCE OF INVADERS AND TRAITORS ON â??LIVEâ?? STREAM!

She is onowarekeh, turtle island. She lives in the most natural way according to creation and to care for her children. She is the mother of the onkwehonweh, the true original people of this part of the world, north, south and beyond. Across the waters are the mothers of the invaders who are waiting for their children to return to them so she can teach them some manners.

They feel no guilt for their devastation of all life, which is a betrayal of nature. The invaders think they can only â??winâ?? if they eliminate those they think are â??weakâ?• or not buying into their treachery. They ruthlessly beat and berate those who question, criticize or resist them. We are constantly reminded that we are on their â??final solution to the Indian problemâ?• list since 1492.

These immigrant murderers know they can do nothing without our knowledge and consent as

The invaders and their puppets have no right to talk to anyone about anything below, on, above turtle island. Only to us, the true original people placed on turtle island by creation. As Foster the People sing: â??*Walk little walk. Small talk big thoughts. Gonna tell them all just what I want. That street two streets I see you and me, Hanging on the empty swings. â??Count high low donâ??t worry my eyes are closed. Iâ??m a superman and itâ??s my show. One shoe two gonna kick with my new shoes. Iâ??m going to kick until I need new shoes. Yeah, yeah I said donâ??t stop, donâ??t stop, donâ??t stop Talking to me, stop donâ??t stop donâ??t stop . . .â?• [Donâ??t Stop].*
