MNN. JULY 1, 2017. konon-hontsa-kwe-nio, the women will always follow the ways of the earth, the life givers. Without women and without the land, there is no life. If the land is good, it produces life. When the sun shines, the grass grows and the water flows, meaning when her water breaks, then life appears. If not, there is no more life.

KONON-HONTSA-KWE-NIO.

The genocide was planned by private European â??moneyâ??cratsâ?• as a fraudulent, massive real estate deal. They can never have title to ono-ware-keh, turtle island, which we are a part of. They can never own us or this land now or in the future.

The colonial settlers continue trying to â??renegotiateâ?• all former fraudulent deals. One of their Papal Bulls said that everything on earth belongs to God and the Catholic Pope is the â??legalâ?• representative of God on earth. Therefore the Pope owns everything on earth.

They use lies, trickery and threats to steal our birthright and basic human rights as prescribed by creation.

The occupiers have come in with guns and are taking everything they want. To stay they must adhere to the constitution of the natural people here. We all follow the great peace.

WOMEN UPHOLD PROTECTION OF FUTURE GENERATIONS TO OUR BIRTHRIGHT TO THIS LAND

The masses are being used and abused. They need re-impowering to take back from the establishment what was designed by creation. Everyone has the right to enjoy creation. No one has a right to deny this to anyone.

The corporation surrounds us with paid killers with guns, tanks, automatic weapons and threats

to murder us!

We are not naÃ¯ve. Those who pull the trigger for them are the masses. When their usefulness is done they will be thrown out with the garbage. The establishment keeps only that which is useful to them.

dekanawida reintroduced kaia-nere-kowa, the great peace, back to the people. We were the first to accept it and agreed to promote it to the world.

so-tsi-ion-kwari-wa-ni-ron, we are strong in our philosophy and principles. We have no problem agreeing with reality and truth.

Janis Joplin sings about motherhood: â??*Summertime, time, time. Child, the livin is easy. Fish are jumping out and the cotton, the cotton is so high. Your daddyâ??s rich and your mommaâ??s so good looking, baby. Looking good now. Hush, baby, baby, baby, baby, baby. No. no. no. no. donâ??t you cry. Donâ??t you cryâ?•.*
