MNN. April 7, 2017. The US knew that the Lakota, our supporters and allies were unarmed at Standing Rock. The US military unleashed chemical attacks against their own people. It was a violation of international law and a crime against humanity. See story/video: â??After Using Chemical Weapons at Standing Rock, U.S. Slams Syrian Attackâ?•

The American Revolution never happened. It was the first international false flag against the aie-ra-kwa [Iroquois]. The real goal was to chop down the tree of peace and eliminate the great law of peace [kaia-nere-kowa] forever to create the US Republic of War. They mass murdered over 100 million of us in the Western Hemisphere. They got away with it because in their courts we are not people.

PINKY TRUDEAU: â??I GAVE THE US MY FULL SUPPORT AND ADVICE TO BOMB SYRIAâ?•.

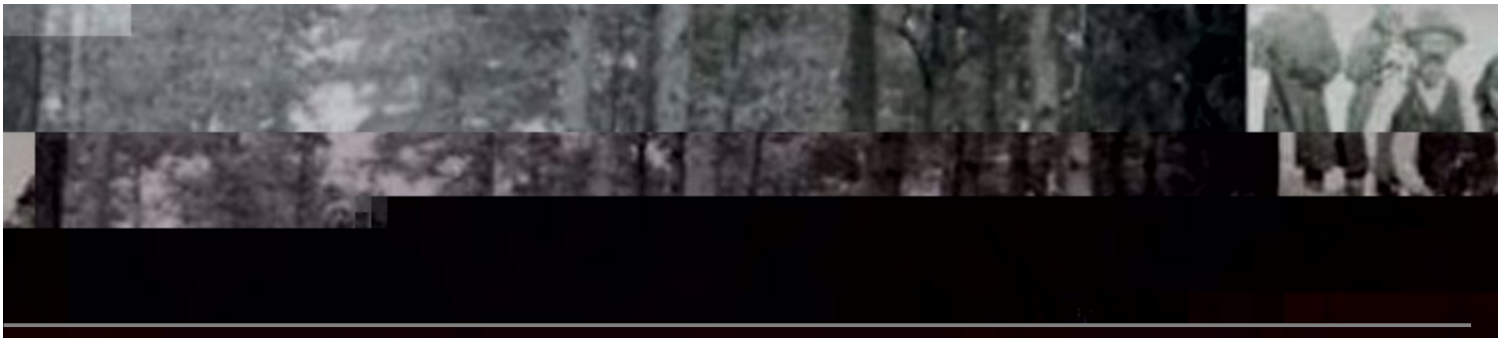
American

nt anywhere is that Americans

US thinks

them with any crime.

The generals who run Washington DC authorize these false flag attacks. The vets that came to Standing Rock saw the truth.



AMERICANS TRY TO BURY GENOCIDE OF ORIGINAL PEOPLE OF TURTLE ISLAND.

The Sioux people and Russia have stood up.

Only the people have the power to stop the ravages. We will not allow anyone in our community to work for the corporation of war. When the women take over the community, then there will be world peace. The business of the women is the children and the land they are brought into. The menâ??s role to ensure the protection of the people and the land.

As Deep Purple laments: *â??The sky is red. I donâ??t understand. Past midnight I still see the land. People are saying the woman is damned. She makes you burn with the wave of her hand. The cityâ??s ablaze. The townâ??s on fire. The womanâ??s flames are reaching higher. We were fools, we called her â??liarâ??. And all I hear is â??burnâ??.â?•*
