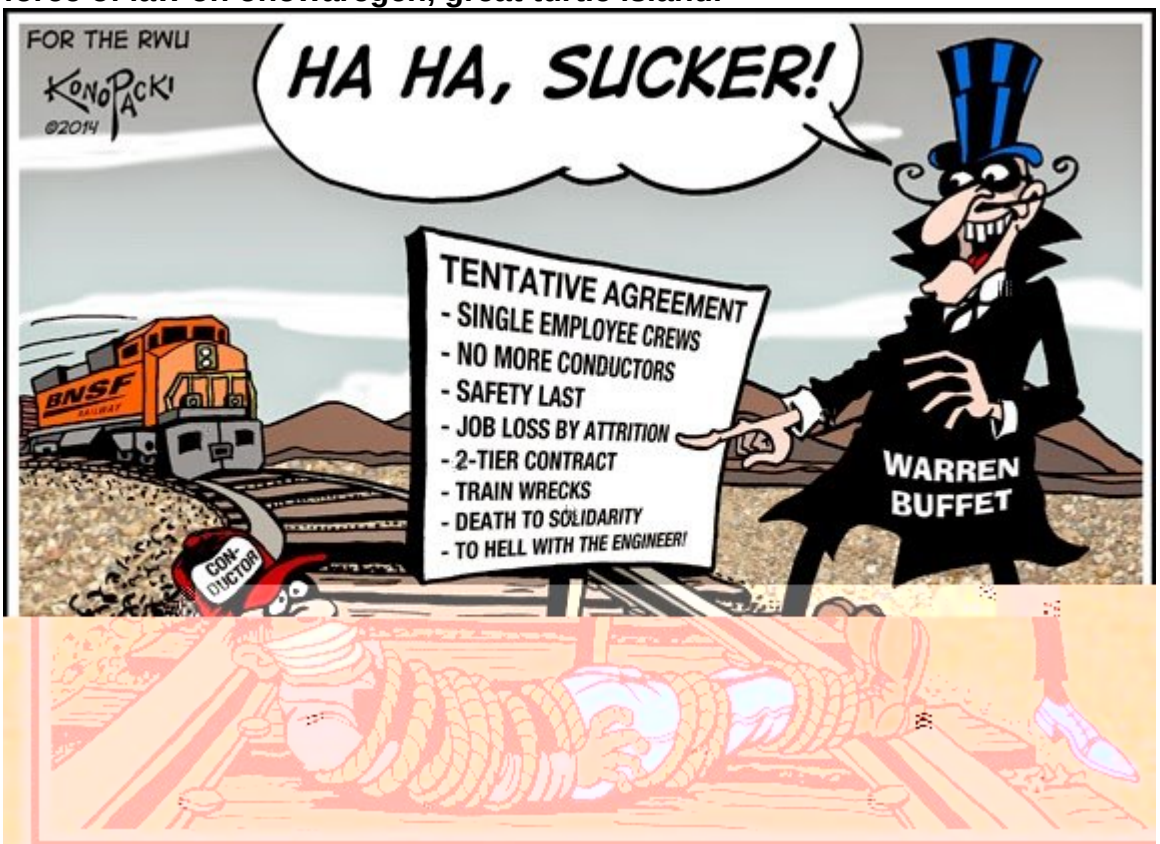
te-wa- ta-tawi, sovereignty meaning we carry ourselves, governs all of great turtle island. CP Rail, a private corporation, spraying poisons that are deadly to all life, on the tracks in kahnawake, violates the law of the land and your Admiralty statute that pretends to have the force of law on onowaregeh, great turtle island.



Your actions also violate all the UN declarations and covenants Canada has signed. [DecoLonization 1961, Genocide Act 1947, Declaration of the rights of Indigenous people 2016, and many more.]

If you continue this illegal path of destruction, we shall seek the list of your shareholders to punish them for the crimes of their corporation. All their families will pay for their complicity.

â??HELP, Iâ??M JUST A SHAREHOLDER!â?•

On behalf of our mother earth, we demand that you cease immediately gassing us with poisonous chemicals to continue the genocide on any part of creation, including the land your railway tracks traverse in kahnawake proper.

Should you violate our order NO MORE TRAINS will ever go through kahnawake forever. There will be permanent blockades on your tracks. We will seek retribution in the International Court of Arbitration as the proper venue to hear such matters.

CORPO. MOHAWK COUNCIL OF KAHNAWAKE OVERSEEING THE SPRAYING.

The deal you made with the fraudulent and subservient corporate entity known as â??Mohawk Council of Kahnawakeâ?• is illegal. They never brought this issue before the people according to our ways. Govern yourselves accordingly.â?•
