MNN. Oct. 13, 2016. The US District Court of NY has proven that we onkweâ??hon:weh cannot get a fair trial on onoâ??ware:keh, great turtle island. The jury ruled that the 51 NYS I-81 INDIAN Detail had a right to brutally attack over 100 men, women and children on May 18, 1997, without punishment. The people were conducting a thanksgiving ceremony on the Jones private property. This police state precedent must not be allowed to stand. This judgment will be appealed.

Judge Frederick Scullin kept out crucial evidence of the pro se victims/the â??onondaga 15â?•, he cross-examined and answered for the cops, selected the jury, most of whom worked for NYS entities, gave the victims 5 minutes for their opening statements and 5 minutes for their closing summation, while badgering and interrupting them throughout. Scullin did not allow any of the plaintiffs to present their case.

We remember!

7. **Dead Plaintiffs** were struck from the record without Estate authorization.

Supt. George Beach: â??Take off your nameplatesâ?•.

8. **Name badges were removed** by order of NYSP Supt. George Beach so victims could not identify them during the horrific attack. Cops had identical interrogatory answers and sworn evidence they forgot.

9. â??**Appeal my rulingsâ?•** Scullin told the plaintiffs if they objected to his unexplained rulings.

10. **Cross examined defendants** and often answered for them.

11. **Only one plaintiff was allowed to question** witnesses though all had a right to do so.

12. **Orders were to clear, arrest and mercilessly beat** the onkweâ??hon:weh on the â??easementâ?• by the side of I-81, which is part of the Jones property. â??Donâ??t talk to anyone and take them anyway you canâ?•. No negotiations! No orders! Get them off their property.

13. **Justice Sotomayor** of the US Supreme Court clarified in her 2009 judgment for the Second Circuit that the cops could not use â??qualified immunity

default watermark

17. **Cameraman roughed up**. James Parmley arrested him for disobeying police order not to film, indicating a cover-up of their illegal horrific assaults.

18. **Plaintiffs never blocked the road.** Police slowed traffic for construction. The people were conducting the *ohenton kariwa tekwen* ceremony, giving thanks to creation. Scullin rejected this inherent ceremony as defined by the 1st amendment.

19. **Video audio excluded** in trial that included â??get himâ?•, â??commence arrestâ?•, â??kick assâ?• and the screams, crying and chaos of the hysterical children and women during the attack, who were 75% of the victims.

20. **Plaintiff RJ** complained he could not get a fair hearing and wanted to appeal. Scullin ordered over a dozen marshals to escort him from the Courtroom. RJ later informed Scullin that one marshal pushed him along and another called him a â??savage.â?• Scullin suggested it did not happen.

**Tribal chiefs: â??Personally,
I could never go back to
sheets nowâ?•.**

21. **Onondaga tribal chiefs** Oren Lyons, Ollie Gibson and others permitted the attack of their own people. Subpoenas to question them were improperly quashed on illegal sovereign immunity claims, as they are part of US and NYS laws.

22. **No order to negotiate or disperse was given.** Peaceful assembly and ceremonial fire started on May 8, 1997 until May 21. Justice Sotomayor said there was no place to disperse on private property. It was an unlawful attack.

23. **Illegal taxation issue.** The gathering and feast was to be followed by a peaceful discussion on the proposed illegal taxati[illegible] the onondaga tribal chiefs

24. **Arrests without a** [illegible] olice arrest! Andrew Jones [illegible] were the trespassers.

25. **Special Investigator Salvatore Volvo**. Parmley & Beach stopped him from reporting that police acted unlawfully. Scullin would not let him be a witness.

26. **Trial transcript**. Every word spoken in the Courtroom must be transcribed and made available to the public.

27.**Plaintiffs were bullied and threatened** with being dismissed from the case for objecting to his rulings and asking for explanations.

All were affected by the unwarranted police attack and beating. Many still suffer extreme mental anguish and physical damages. This is a bad judgment. It will be appealed. *thahoketoteh.*

As Stompin Tom Connors sings about the delay in justice that the â??onondaga 15â?• are still dealing with: ***â??When I was a lad, I was really bad, it wasnâ??t smart to be good. I beat up my dog, choked my frog, and acted just as mean as I could. I hit all the girls, and put gum in their curls, cause I like to hear them cry and plead. Iâ??d punch the little boys and steal all their toys cause I knew they werenâ??t smarter than me. They call me Ben, here in the pen. where you take the guff and you suffer. But Iâ??ll be free when iâ??m 53, and I bet Iâ??ll be a whole lot tougher, I hope Iâ??ll be a whole lot tougher. Oh, whatâ??s the use, I guess Iâ??m not a very good blufferâ?•.***
