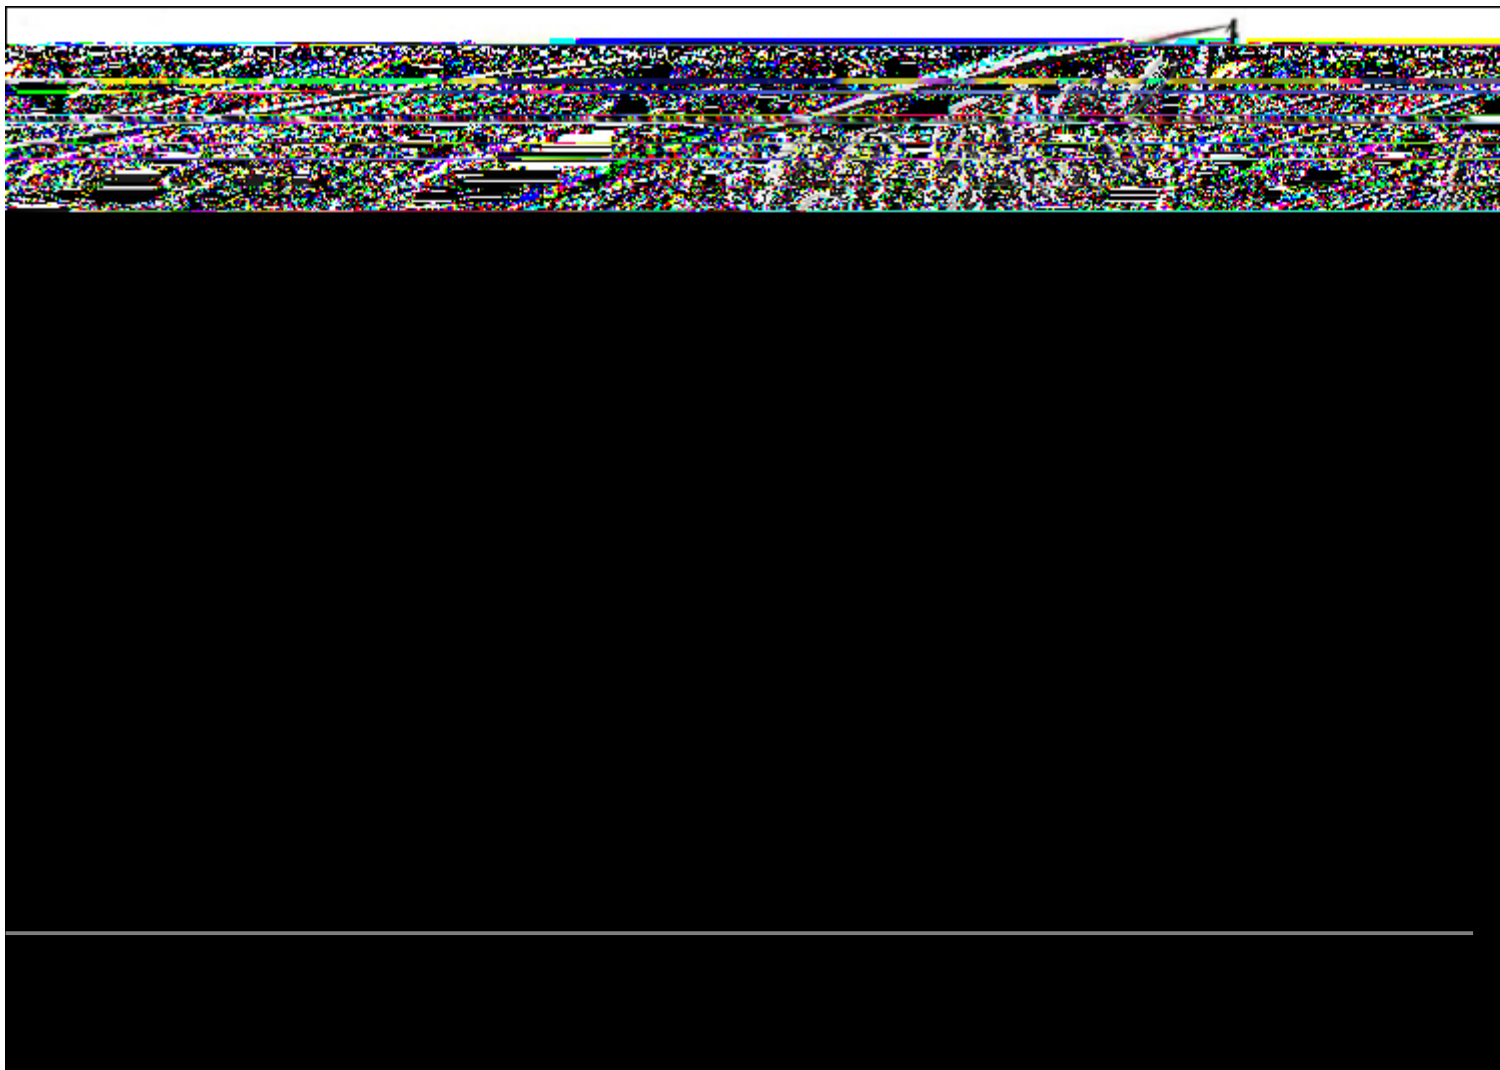
Please post & distribute.

MNN. May 18, 2018. Every year American corporations celebrate the biggest holocaust in all humanity: The US on July 4 called â??Independence Dayâ?•, and Canada on July 1 called â??Canada Dayâ?•. They are in fact the celebration by the beneficiaries of the biggest holocaust in all humanity, the annihilation of over 100 million original natives of the turtle island, which is the western hemisphere.



â??WE NEVER THOUGHT WE WOULD GENOCIDE OURSELVES!â?•

The hierarchical system is controlled by 1%, mostly men of the white race. Because of their high testosterone level, they are driven to try to control the entire world. Their impotent followers like the vigorless Assembly of First Nations AFN, national, provincial, territorial, local committees called the band/tribal councils are convinced they should follow them. These spineless traitors believe that these corporatists have the testosterone which is the â??killer instinctâ?• hormone to protect and save them if they do what theyâ??re told.

Prime Minister Trudeau said at the May 2 AFN meeting at the casino that he wants the natives to be signed, sealed and delivered to him in a year by his Indian slaves. Why the hurry?

Theyâ??re joinng the Involuntary Celibates in droves,with a chapter in the Parliamentary â??Rage Roomâ?•.

Our great mother makes us keep asking what this greed and killing is leading to. The Kingston Trio reminds us where we all end up when we sterilize the mind, body and spirit: *â??Where have all the flowers gone, long time passing? Where have all the flowers gone, long time ago? Where have all the flowers gone? Young girls have picked them everyone. Oh, when will they ever learn? Oh, when will they ever learn?â?•*

Sitting down with our friends and allies to share stories over coffee is a wonderful way to relate, pass on history and knowledge and joke around. As Frank Sinatra reminds us: *â??Way down among Brazilians coffee beans grow by the billions, so they have got to find those extra cups to fill. They have got an awful lot of coffee in Brazil. You canâ??t get cherry soda cause theyâ??ve got to fill that quota. The way things are I bet they never will. Theyâ??ve got zillion tons of coffee in Brazilâ?•.*
