HOW TO GET RID OF ILLEGAL â??TRIBAL COUNCIL SYSTEMâ?• ONCE AND FOR ALL

MNN. June 7 2008. Can we get rid of the â??tribalâ?• council or â??band councilâ?• that was illegally forced on us? Yes! Itâ??s as easy as one, two three:

1. Put out the question to the community, eg. â??Do you agree to be governed by the foreign imposed tribal or band council system?â?•

2. Vote â??Noâ?•!

3. Inform the federal governments of the U.S. and Canada. For good measure, let the United Nations know.

Under international law everyone has the right to self-determination. As stated by the International Court of Justice in the Western Sahara case, â??No people can be absorbed by a foreign state unless it is â??the result of the freely expressed wishes of the territoryâ??s people acting with full knowledge of the change in their status, their wishes having been expressed through informed and democratic processes, impartially conducted and based on universal adult suffrageâ?¦ â??.

Itâ??s already been done! The â??Mohawkâ?? community of Akwesasne voted out the imposed 3 Chiefs tribal system. The United States government has no choice but to conduct government-to-government relations with the people. On May 31, 2008, the people from the north and south portions of Akwesasne duly selected 5 Community Spokespersons to represent them on an interim basis. The reason this community is divided is because Canada and the U.S. put their border through the middle of this community.

The illegal 3 Chiefs System that was imposed in 1802 by New York State is fighting for its life. Its head, Lorraine White, is swamping the community with lies to mislead and confuse the people. They want the community to take part in an illegal vote on Saturday June 7th 2008. **The will of the people has already been determined. The 3 Chiefs no longer exist.**

On June 6th the Community Spokespersons stated, â??We are not a â??disaffected groupâ?•, as Lorraine White, James Ransom and Barbara Lazore, claim.

Lorraine White falsely asserts that her group is recognized by the community, the Bureau of Indian Affairs, the Department of the Interior and the Office of the President of the United States. This is a misrepresentation. She says that a tricky referendum vote on August 18, 2007 recognized her group by default. The community had voted â??noâ?• to both the â??3 Chiefs Systemâ?• and the other proposed constitutional government. There is no way that the people gave their informed consent to the 3 Chiefs System.

On October 31, 2007, Franklin Keel, the Eastern Area Director of the BIA took it upon himself to recognize the 3 Chiefs System. He did not have the right to do this. **This question must be decided by the people.**

On March 16, 2002, the U.S. District Court for the District of Columbia Judge Killar-Kotelly in Ransom v. Babbitt, [No. 98-1422] confirmed international law. It said that: â??the rights claimed by the now defunct
