

MAJOR KARMA

Description

Please post & distribute.

MNN. May 8, 2017. There may be few of us, but we are the majority of the true natural people of this land. The immigrants who came here centuries ago designed our anguish. They come to help themselves to our land, resources, possessions and to make some money. Never to help us.

**THE POOR, STARVING, UNWANTED
ARRIVED HERE.**

Their artists write poems, songs, make films and write books about us to make money, to get awards and to promote the big lie. They convince the world our land is theirs and we no longer exist. Even calling us INDIANS after people in another land is vulgar.

**THE ARTSY CROWD & MSM
SPREADS THE FAKE
HISTORY.**

**Those experiencing the great flood never talk about the genocide and desecration of our land.
They cry about losing what they stole from us.**

We remind our children about what our people went through for us to be here. Our languages hold all the answers and original instructions for our survival.

The corporate rulers have an old script they are acting out, who speak 'legalese'. Patois English is a man-made language designed for the slaves to limit their thinking, make them servile and obedient. Their system makes everybody suffer, while they live on top of the graves of our ancestors.

President Trump made a new executive order. No abortion and no birth control, to be co-administered by the churches. Trump shows who his boss is, the emperor of the Western Roman Empire [Vatican], the Pope. The Church fears the dwindling Catholic population worldwide.

Canadians always ride on the coattails of the US. Canada's corporate charter registered by the Vatican in the US was enacted in 1867 and celebrated on July 1. The US no longer has a republican constitution, becoming a corporate crown colony in 1871, though they still call themselves a country. They celebrate their incorporation on July 4.

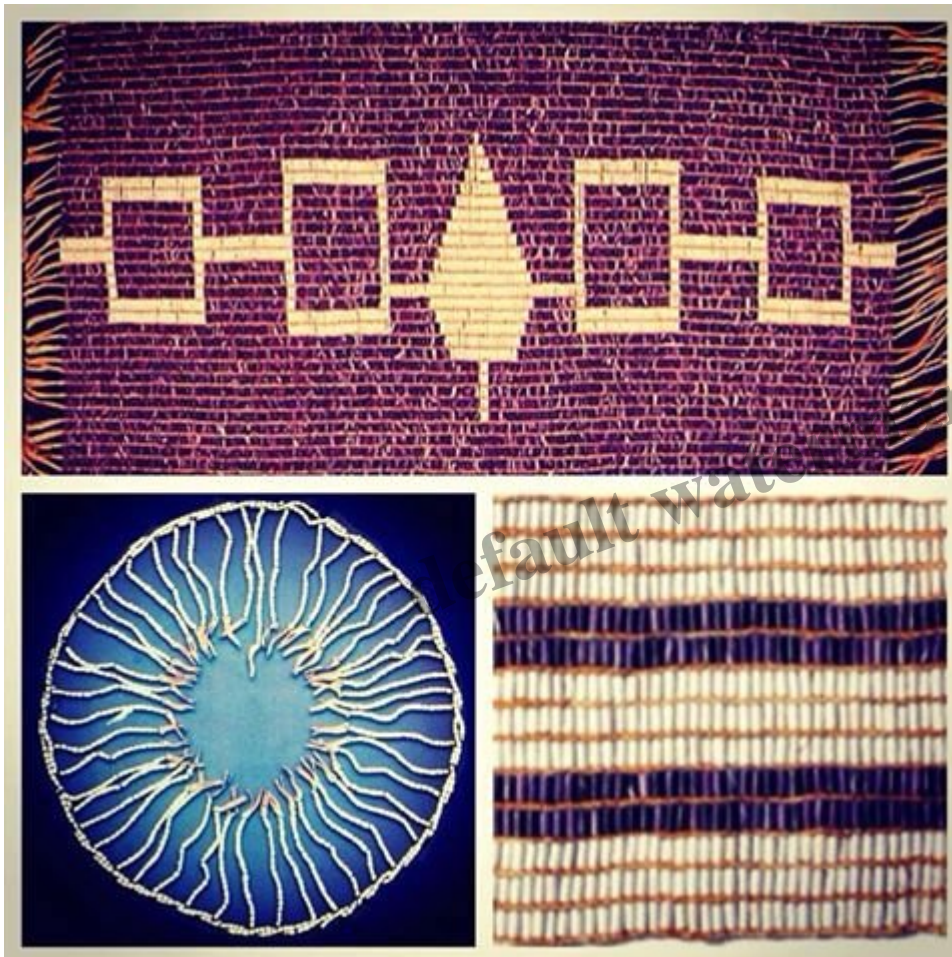

"HEY, I'M A BUSINESS MAN."

We tried to teach them about democracy and the consensual decision making process. They still don't get it.

When 10% of the people wake up, like sheep the rest will wake up to the truth of the new world order agenda.

The elite fear the apocalypse. The great revealing is happening right now.

The law of karma is universal. An action begets a reaction. They will receive the karma they deserve.

KARMA KAIA-NERE-KOWA, THE GREAT PEACE.

We have good karma because we dealt with life through the kaia-nere-kowa, the great peace. It goes against the man-made ego that is conditioned in their minds. We did not allow those artificial mental states to exist in our communities.

STOP THE CORPORATE “BUZZ”!

The settlers did most of the mass murders to steal our land, just like they are doing in Palestine. Every Israeli has to serve in a death squad or leave. The biggest high for these psychopaths is deciding who lives and who dies.

The Culture Club knows a little about karma: ***“Karma, karma, karma, karma, karma chameleon”.***
