MNN. 7. 2016. "Onondaga 15" has laid to rest the case of Jones v. Parmley so the jury can deliberate. The 'team' goes back to court on October 11, 2016, Tuesday, 9.30 am.

NYS I-81 INDIAN Detail: "Hey! I was following orders".

Support would be appreciated. *[Room 6, 12th Floor, 100 South Clinton St. Syracuse, 9.30 am.]*

New York State enforcers Freddie, Teddie, Joe & Tiny Tim end another grueling 'won't-show-won't-tell' court day.

Will it be the "Onondaga 15" or the I-81 INDIAN Detail?

INDIAN Detail ordered to take down thanksgiving ceremony at Onondaga.

October 10, Scullin gave everybody

the beginning of the

“trick or treat” day when people try to disguise their shame. Like the I-81 INDIAN Detail disguised themselves and took their name tags off to brutally attack men, women and children during a thanksgiving sacred ceremony. *thahoketoteh*.

Scullin [Bones] and the crew would probably like to follow the Grateful Dead to get away from Jones v. Parmley: ***“I ran down to the levee, But the Devil caught me there. He took my twenty dollar bill, And he vanished in the air”...[Friend of the Devil].***

May 18, 1997: hundreds of militarized NY state troopers in riot gear -operating as a specially formed unit, "I-81 INDIAN Detail"- brutally assaulted hundreds of Haudenosaunee people gathered to discuss issues harming their communities. During opening ceremony prayer baton wielding police -operating under the instructions to "take no one and take anyone you can"- began beating and clubbing babies, children, women, men, elders, and Clan Mothers. The brutality included throwing babies out of carriages causing one to require a double legged cast for their injuries. Children assaulted and arrested included an 11 year old and 14 year old girl who was manhandled and slammed to the ground. This continues to impact the health and well being of all who were present; many live with painful lasting injuries and psychological trauma.
