I am Kahentinetha, bear clan, kanionkehaka [Mohawk]. I live in kahnawake.

Since I was born I have been tewatatawi, sovereign, as creation intended. No one can have authority over me or deny me human rights, speak for me or represent me. kaianerekowa is the only way of great turtle island, based on being equal with everything in creation. My covenant is with the natural world. I follow the original instructions and live and survive by my instincts and knowledge.

You have no right to interfere with the lives of our people. In all your time here you have continuously tried to dispose of us. Policies such as the S-3 Indian Act Amendment and Private Members Bill 262, negotiated between the Corporation of Canada and their Indian Act puppets, are genocidal by design.

Canada may have convinced some foolish Indians to sell us out and extinguish our inherent rights, but we as sovereign people are not on the market. You and your AFN are illegitimate and do not hold jurisdiction as negotiators of our rights. In trying to establish any other way than the kaianerekowa, you Indians have forfeited your native name, land and birthright.

The Two Row wampum is an agreement with creation that mandates mutual respect for our inherent sovereignty. Canada is violating this agreement of co-existence and has no power or authority over us and our lands. Those that violate this agreement must leave turtle island. Yours and their voice are meaningless. You cannot set boundaries or punish me for expressing my life.

Our land and all that is upon it is ours by creation. Like the natural world, only the people are sovereign. My clan and family membership of the tekentiokwanhoxta, the 49 original families, are the basis of rotin'shonni sovereignty. I speak the language of my ancestors who gave the instructions by which I relate to all my relations. I am the sovereign. You, Carolyn, and your associates must explain to me how you will live according to the kaianerekowa to my satisfaction.

You can't stand in the way of justice for a sovereign human being who is exercising a natural right to exist. Our mother, animals, trees, fish, birds and any other living things are not subject to your artificial cruel laws. The world is naturally free. The original people worldwide are naturally free. Everything on earth is naturally free. That's creation's design so that all life can live in freedom and peace.

Those of you who sold yourselves out, my message to you is no matter how much the invaders have paid you or promised you, we will always teach our children who they are and to watch out for people like you.

The signatures of the agents of the Corporation of Canada are fraudulent. Co-signers to our ongoing genocide left the canoe and have joined the invaders on their ship.

Your Corporation of Canada is breaching our birthright. Necessary measures shall be taken. Govern yourselves accordingly.
