

CANADA DAY OF HATE

Description

Post & distribute. Thanks.

MNN. July 1, 2019, is Canada's "corporatism" day to celebrate its crime of genocide. We have a right to tell the illegal invaders to leave turtle island immediately. 99% of us have NOT been digested by the evil invaders to turtle island. We call those who alienated their birthright the "genocided people", those who lost the will to live as natural original people of turtle island.

Today they continue to try to demoralize us. When the illegal immigrants invaded they found here a paradise. They were jealous of all the natural resources of onowarekeh and our way of life. This was followed immediately by intense hatred and envy which continues to this day. All their genocidal tactics are derived from hate and jealousy to further demoralized us – outright genocide which they admit to having committed, victimization and specifically killing our babies and children, Indian Day Schools, Residential Schools, 60 Scoops, CAS, jails, sterilization, missing & murdered women & girls program, international sales of our children, band councils, draining our natural resources and killing all natural life. If they cannot possess everything, they are mandated to destroy us.

**CHILDREN'S GAMES OF KILLING
& SLAVERY, LAND RESOURCE
THEFT, LAWLESSNESS,
CULTURE WRECKING.
EXTERMINATION OF ORIGINAL
PEOPLE & ALL NATURAL LIFE.**

Now they want to make a payoff to us for their crimes with our own trust funds. They never got permission to come here. They are not welcome here.

The illegal immigrants have tried to make us unfit for their destructive foreign environment which is based on “ethnic cleansing” of the true original people and all natural life on turtle island.

WE ARE NOT A COSTUME. WE ARE REAL.

The illegal invaders are trying to use the Framework Agreement land theft and final extinction of the onkwehonweh as the final nail on our coffin. The unnatural First Nations Inc. Land Management Act Truths and Falsehoods is Canada's national institution that has assimilated 'first nations inc. into Canada's Corporate Property and Tax System without the consent of the onkwehonweh, the original people placed on turtle island by creation.

Why do the illegal immigrants have to be so mean to the true original people placed on turtle island by kasastenserakowa sa oiera, the great natural power? Billy Holiday asks too: *"You're mean to me Why must you be mean to me? Gee, honey, it seems to me You love to see me cryin' I don't know why I stay home each night When you say you phone You don't and I'm left alone. Sing the blues and sighin' You treat me coldly each day in the year You always..."*
