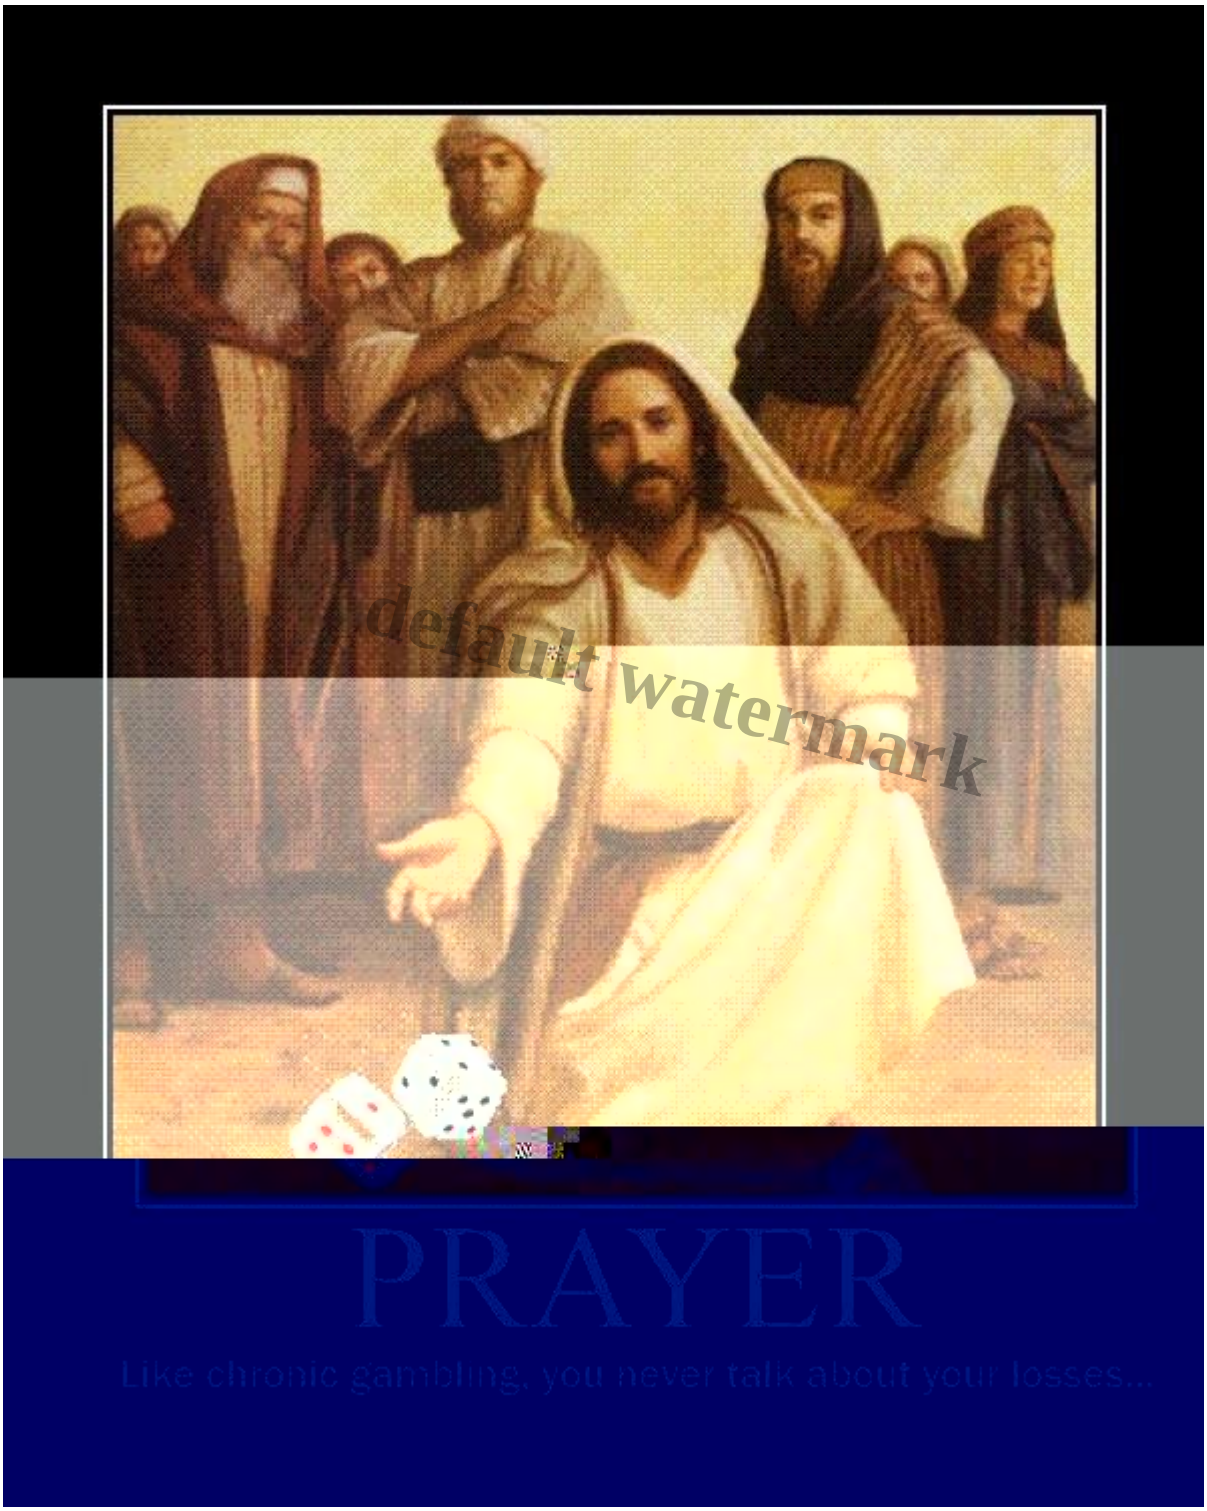
**MNN. October 3, 2017. The Las Vegas shoot out is not the biggest massacre in US history! Itâ??s the biggest money laundering mecca of the world. People go there to frolic and try to get money for doing nothing.**

**SHOOT-OUT! LIKE WATER OFF A DUCKâ??S BACK!**

**This is a list of some of the massacres carried out in Canada or the US or territory which is part of the US, by the squatting invaders from 1325 to 1911.**
**https://en.wikipedia.org/wiki/List_of_Indian_massacres**

**Corpo Chief Gina Deer and others of the Mohawk Council of Kahnawake Inc. MCK were there at our expense. They escaped. MCK goes there regularly for 3 to 4 days, for rest and relaxation, to take in the shows, to feed their gambling addiction, for a short meeting and then come home.**

**They rub shoulders with the get-rich-quick refugees, who are illegally occupying turtle island, that mass murdered over 100 million of us, and spending their ill gotten gains.**



**MCK PLAYING WITH OUR LIVES!**

**The corporate MCK is trying to bring this gambling lifestyle into our community. We voted against this twice. They do nothing beneficial for the people. The casino will be a trump card to control us. Our minds will be murdered so a few sell-outs and their outside investors can pocket fortunes for themselves and keep us impoverished and quiet.**

**Our collective rights for the proposed casino will be used like MIT, which has no collective benefits. Mohawk Internet Technology is the biggest online gaming operation in the world.**

**The native casinos are set up so we will lose everything. They are regulated in Washington DC, with off-shore accounts to hide their money.**

**In Kahnawake people are in need of food, money, hydro, house repairs, fuel. Often the children go hungry.**

**MCK, STAY HOME AND FIND OUT!**

**Casinos are negotiations and benefits for the corporations and their puppets,, who want money for doing nothing. These bloodthirsty vipers are not attached to the land. They refuse to see their destruction of the true natural people and all life designed by creation.**

**Casinos, banks, stock exchanges, are all military controlled slave matrixes of a few psychopaths. The hole in their minds canâ??t be cured.**

**the late Tom Petty reminds of the wonderings of the refugees: *â??Somewhere, somehow, somebody must have kicked you around some. Who knows maybe you were kidnapped tied up, Taken away and held for ransom. Honey, it donâ??t make no difference to me, baby. Everybody has to fight to be free, you see.â?•***
