

MADNESS OF MIND CONTROL

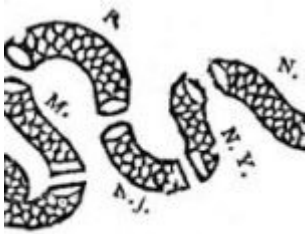

Description

White Pine the great tree of peace

MNN. Jan. 25, 2024.

Their society is hateful and vengeful which they have been trained to not notice. Their motive is to exterminate an entire race because they want our possessions. The teiohateh Two Row Agreement is the law of turtle island. We know of their unremorseful cunning to kill us without guilt. They live in their self created fantasy world called "pop culture". They tell themselves they are nice people and they sure love their guns. We onkwewehonweh buried our weapons of war under the tree of peace so that war does not continue. The intruders made up their own image of themselves as great heroic leaders because of their great killing skills. When they chopped down the tree of peace at onondaga, they were cursed. They will be forever at war until real peace returns. In fact they are known as some of the cruelest blood thirsty tyrants to ever walk the earth. They are proud of this acknowledgement and even joke about it. Their crimes are so contemptuous, calculated, malignant and devastating which the world continues to tolerate. They are aware that their man-made class system is over. For the sake of humanity their malicious acts cannot be repeated or go unpunished.

The natural world is always in motion. We will never fear. The only fear is fear itself. Otherwise we will realize our fear. We are in the time of the black serpent. Soon the serpents will be gone from onowarekeh turtle island.

The truth of their crimes is known. We are victims of despair because they want something we have, our mother, turtle island. Europeans helped design the genocide so they would never get caught or punished. The law of North America is based on the Papal Bull which declares we are not human so they can hunt us down like deer. The settlers did this. They are guilty of the atrocities from which colonists are all benefitting from our people's death.

The intruders used militarism though we were a peaceful people and not their enemies. There was no battle. They attacked and massacred innocent men, women and children while they were sleeping in their villages. For Canada it was like hunting for deer. They were paid to carry out the murders. The Canadians were excited when they set out to kill us. To them it was like a big fun sport event. Men signed up so they did not miss out on the adventure. The Canadian psyche was stimulated. They were thrilled to kill us. Their killing spree was glorious to them. Canada got a purpose to exist. "Wow, we're killing off a whole race. We're going to destroy human flesh", they screamed.

The church and the state were so proud of the carnage they designed together. Canada tells themselves they won! But Canada was defeated by us as we are still here. They are presently

hiding all knowledge about this under their dirty carpets. The colony of Canada could collapse or abdicate. Creation placed the indigenous people on turtle island to take care of the land from time immemorial to infinity. Rematriation of every part of turtle island will always be the duty of the natural caregivers. So we are here to stay.

They continue to promote anti-indigenous propaganda to continue the biggest holocaust in all humanity. They don't want to stop until it is complete. They know how to kill us, destroy the earth and then hide what they have doing. They want to continue racial hatred, terrorism, violence, arrogance and cruelty. Canada has hundreds of tons of secret documents on their foul deeds which will be seized by or voluntarily turned over to us.

THOSE THUGS WHO CARRIED OUT THE BIGGEST HOLOCAUST IN ALL HUMANITY WILL CONTINUE TO TRY TO ESCAPE JUSTICE. CREATION'S HAND OF KARMA WILL SMACK THEM DOWN.

Listen to the words of the Rolling Stones on the "Hand of Fate" for such shenanigans:

*The hand of fate is on me now
It pick me up and knock me down
I'm on the run, I'm prison bound
The hand of fate is heavy now
I killed a man, I'm highway bound
The wheel of fortune keeps turning round
Turning round, turning round
I should have known it was a one horse town
My sweet girl was once his wife
He had papers the judge had signed
The wind blew hard, it was stormy night
He shot me once, but I shot him twice
The hand of fate is on me now
It pick me up and it kicked me right down
Kicked me right down
Kicked me right down
I had to save her life
Yeah, I gunned him twice
Yeah, and I watched him die, watch out boy
Yeah, I watched him die
He was a barroom man, the violent kind
He had no love for that gal of mine
Then one day in a drinking bout
He swore he'd throw me right of town
The hand of fate is on me now
I shot that man I put him underground
I put him underground
Yes I did
I'm on the run, I hear the hounds
My luck is up, my chips are down
So goodbye baby, so long now
Wish me luck, I'm going to need it child*

The hand of fate is on me now

Yeah it's too late

Too late baby, too late now

The hand of fate is on me now

The hand of fate is heavy now

It pick you up and knock you down
