Mohawk Warrior Society

The Mohawk Warrior Society is one of the most successful militant organizations in North America. Their predecessors were key to the defeat of the French in Quebec and the United States in the War of 1812. Today, the Warriors are best known for their role in the 1990 Oka standoff against the Canadian army. In the new book, *The Mohawk Warrior Society: A Handbook on Sovereignty and Survival*, the movement for the first time tells its own history.

We are joined by the editors of this unique anthology of resistance,

Philippe Blouin, Matt Peterson, Malek Rasamny and Kahentinetha Rotiskarewake and also by Kwetiio and Karennatha who, along with Kahentinetha, are members of the group Kanien'kehà:ka Kanistansera, the Mohawk Mothers.

Louis will always be honored by the people. The world will never forget the warrior flag he designed. Even the Kingsmen back in the 60's honoured Louis: *Ah Louie Louie. Oh no, Said we gotta go. Yeah yeah yeah. Yeah yeah. Baby. Louie Louie. Oh baby. Said we gotta go. A fine little girl. She waitin for me. Catch a ship, across the sea. Sail that ship out all alone. Me never think how. I'll make it home. I'll make it home. Ah Louis Louie. No no no no. Make it home. . . .*
