Sekon sewakwekon.

We are the Kahnistensera, Mohawk mothers, who have responsibilities from the kaianerekowa, great law, and teiohateh, two row, which have existed on turtle island since time immemorial. All the land and infrastructure thereon are for us to care for, since the beginning time and for all eternity. All governments and their institutions throughout turtle island know and acknowledge this.

OUR INUIT BROTHERS & SISTERS ARE STRUGGLING IN CITIES.

Our duty as the natural people is to care for the land and the people who have been placed here by creation. Many are living on the streets of tioni tiotiakon temporarily known by the trespassers as montreal because they are homeless. Some are young. Many are old, frail and require medical attention, food, warmth, clean water and hygiene. Today some are dying on the streets in below freezing temperatures. It's a life and death matter.

Some inuit and indigenous have died. There are empty buildings at mcgill university which are available. They are lit, heated and can provide adequate shelter for these extreme conditions. We must all help these people. This ground and vacant structures belong to the kanistensera. The name McGill will be changed to a proper kanienkehaka name.

immediately. We will arrange to meet in front of the rvh as soon as possible.

In the meantime, kahnistensera suggest that the homeless check into nearby hotels and send the bill to mcgil university, or the mayor of the city, or the governments of canada and quebec.

ON BEHALF OF THE CHILDREN OF THE PAST, PRESENT AND FUTURE, OUR ANCESTORS AND DESCENDANT OF ALL INDIGENOUS PEOPLE THROUGHOUT THE WORLD, WE ASK FOR YOUR COOPERATION.

Secretariat of the kanienkehaka kahnistensera:
