### **CORPORATION: REMEMBER CHIEF, I OWN YOU!**

Their ruling racketeers control the amoral government, businessmen and politicians. A king thug thinks he is the only “smart” one. He has cutthroat idiots who rob, cheat, lie and murder at will, within the rules they create.

This sociopathology underlies their society. The psychopathic matrix reflects Western European American culture based on violence. They constantly display aggression. They need a constant adrenaline high to threaten murder , create fear and carry out murder. The government directs the military forces to engage and destroy. They train and unleash the attack dogs that tried to kill the water protectors at Standing Rock.

The corporation owns the tribal and band councils, who do their bidding. To them we are a commodity that stands in their way. The councils allow our people to be sadistically treated including being raped, tortured, mutilated and killed.

We original people have always been in their way because we still exist.

**OUR SECRET IS THE “OWISTAH” DISEASE,  
GREED!!**

Americans can't look at their true selves. They prefer to remain untroubled by their continuing cruelty to hide their worldwide reputation as assassins. They class those who don't comply as neurotics and terrorists.

## **THIS IS OUR THIRD TOUR OF STANDING ROCK!**

Americans always want to climb to greater heights. It was only great before the arrival of the invaders. Since then they have never shown any greatness, just destruction, lying, theft and carrying out the biggest genocide in world history.

Their leaders are the saviors of the white males and protectors of their false sense of entitlement.

Their leaders validate their deranged impulses, who blame their problems on somebody else. Their solution is always to shoot and kill us for protecting the environment from their rapacious greed. [The Indian Ring]. They constantly plan to wreak violence against us as they enjoy seeing us tormented.

### **ROTINO'SHONNI:ONWE: "WHERE CAN I GET SOME WAMPUM?"**

Corpo tribal and band councils help the corporation implement this bigotry. They take advantage of the weak and vulnerable with impunity.

The rulers direct their hatred toward us like angry bullies who do it for kicks.

Buffy Sainte Marie sings about our wisdom being in our DNA: ***“There’s military interest, GMOs in paradise, boil-weapons high up on the call sheet. Young soldiers driving tanks, but old thieves they drive the banks. And you never see a uniform on Wall Street. There is power in the blood.”***
