

AKWESASNE 8 DISMISSED – NY POWER HAS NO DOCUMENTS

Description

BREAKING NEWS

MNN. NOV. 12, 2024. Akwesasne 8 DISMISSED. NY Power Authority fails to produce documents necessary to move forward. The charges of Conspiracy to a Felony, and Trespassing against the six of the Akwesasne 8, who appeared today, were dismissed today at Massena Town Court. The District Attorney stated that New York Power Authority (NYPA) did not produce appropriate documents to move forward. Researchers for the Akwesasne 8 had gone to the St. Lawrence County Office for Deeds and Records to find a Deed/Land Title showing NYPA ownership. There is no record. When discovery documents were offered to the Akwesasne 8, each asked whether the documents contained a Title to the land on which the Akwesasne 8 were arrested. The District Attorney implied such documents were not part of the discovery packets.

In March 2022, Federal Judge Kahn of the Northern New York District of US Federal Court, ruled that New York State possession of Mohawk land is a violation of the Nonintercourse Act which prohibits land transfer of Indian land to non-Indians without Congressional approval. On May 22, 2024 eight Kanienke'háka were arrested for Trespassing at Niionenhiasekówahne (Barnhart Island). Seven of the eight were charged with Conspiracy to a Felony. One person was charged with a Felony. There is a long history of Onkwehonwe relations to Niionenhiasekowá:ne (Barnhart Island) – from the Dish With One Spoon Agreement, to Onkwehonwe families living

on the island, and continue today through Kanienke'háka assertion of hunting, fishing, tree
gathering liberties.

The Akwesasne Mohawk Land Claim Settlement agreement seeks to sever

Onkwehonwe relationship to Niionenhiasekowá:ne, formally ceding the island's title to New York State for \$70 million and subjecting our hunting and gathering rights to foreign governments. The Onkwehonwe that began construction at Niionenhiasekowá:ne acted in assertion of Kanienke'háka inherent and original rights as well as the pre-existing governance of Kaienerekowa. "The Band Council, Tribe, state and federal governments are outside Kaienerekowa governance as younger governmental entities cannot and will not ostracize us from our lands and waters." Said one of the Akwesasne 8. "We are going back to Niionenhiasekowá:ne because it is Kanienke'háka land." A group of the Akwesasne 8 stated.
