Description

Please post & distribute.

MNN. Apr. 6, 2018. We know what is real, that is all natural life as part of creation. Like all life each of us is self-determining and have autonomy over ourselves. We each have something needed for the survival of all of us.

**KARONHIAKTAJEH:
"THE GREATEST TRUTH
IS THAT MOST PEOPLE
DON'T KNOW THE
TRUTH ABOUT MOST
TRUTHS".**

No one can interfere with who we are.

Canada and the US are Corporate tyrants. Nobody has a artificial made up right to put us under lock and key and take everything we have. The tyrants made a horrific system whereby a few oligarchs known as “ollies” enslave and brutalize the people of the world. Naive and innocent people have been brainwashed to think that the only way to stay alive and get justice is to suck up to this murderous 1%. The Canadian and US justice systems protect only the “ollies” and their underlings known as the “undies”.

HEY, INJUNS, THE BUCK STOPS HERE!

The “undies” include their corporate band and tribal underlings. Lying, treason and trying to kill their people is stressful. Rez Las Vegas is their favorite high living playground where they relax with the ollies, drum up investors to help steal our land and assets without our knowledge, do some gambling, watch shows and buy souvenirs for their poor destitute people back home. The people back home pay for this treason.

“HUNH, CHIEFS, SEE YOU IN LAS VEGAS FOR THE BIG SELL [OUT] [OF OUR BIRTHRIGHT]! DON'T FORGET YOUR OFF-SHORE BANK ACCOUNT NUMBERS”

GURL CHIEFS: “WHEN DOES THE CULLING BEGIN?”

The designed strategy by the ollies against any resistance is to send the troops in. Some politicians refuse to be part of the brutality.

Robbie Robertson reminds us of past and maybe coming showdowns: *“Soldier of fortune. He’s a man of war. Just can’t remember What he’s fighting for. Start a revolution Right before your eyes. When you hear the big bang, Don’t you be surprised”*. [SHOWDOWN AT BIG SKY].
