Please post & distribute.

MNN. 13 Nov. 2015. The Red-X, our wise elder of the 5th dimension, surveyed kaniatarowanon'on:we from his silver eagle. "These fuckers stole our land, turned it into private property and then shit all over what they stole. And now they're dumping it into our river!"

Keep nothing for
yourself & always
defend your people.

To cover their private property scam, the Family Compact and Chateau Clique are emptying their shit into the river, that will go into the Gulf and then into the ocean currents and travel around the globe. First they were just shitting on "their INDIANS". Now they're shitting on everyone.

Everybody wants to see how Shit Mayor Coderre will revive the image of his city that has become the toilet.

He will be remembered as the 'Shit Mayor of Montreal', just like Rob Ford is known as the "Crack Mayor of Toronto".

Carey Price: "I refuse to play on this shit".

Before going down into the catacombs of Montreal on Nov. 12th, Coderre dressed up in a Hazmat suit with a mask, had 2 tetanus shots and a doctor with him. Hey, the workers don't get that when they go down! Red-X remarked, "A real leader would never ask his men to do something he wouldn't do himself!"

Coderre: "I'm going down where I belong".

Red-X noticed in the Gazette that a den of inequity floats in the Old Port, one of Montreal's top tourist attractions. It gets its water almost directly from the shit-spouting sewer pipe. Clients are still pouring into the floating outhouse called a massage parlor. The smell doesn't seem to bother them.

[Shit scene, "Magic Christian"](#) These could be Montrealers jumping into the shit to get free money. It's all foreign to Red-X, coming from a kaia'nere:kowa background across many generations.

The colonial settlers spread this shit problem everywhere they go. Now everyone has to bathe in it. Red-X says the corporatocracy disguise it as "rule of law", their law, and answers to no one except themselves. He discovers the new Prime Minister Trudeau's oath to a foreign autocrat and all her corporate entities, not to the people or the land.

Coderre: "It was all dark!"

Remember that the water for the whisky made at Seagrams, across from Kahnawake, comes from and is emptied into the nearby shitty river.

Red-X said, "It is his shit that he empties into the world. This mass murderer of the natural world must be charged personally for the damage he is causing, in a common law court. Not his corporate fictional identity, i.e. Mayor". Red-X wonders who will step up and do this.

Coderre is advising Montrealers to hold onto their toilet paper, tampons and condoms which can be seen floating down the river. He never ordered them to stop flushing their shit, pills or industrial waste because no one can see it in the water. Everyone shat this morning, flushed it and the stink is unbearable.

We rally by singing to kasatsensera'kowa
sa oiera

Red-X thanks the young onkwe'hon:weh and allies for raising the issue worldwide and continuing their vigil. Then Red-X mounted his silver eagle, flew west to where the sun never sets and disappeared into his portal to the next dimension.

As Jim Morrison laments, “Ashen lady, Ashen lady, Give up your vows. Give up your vows. Save our city, save our city. Right now”. [Roadhouse Blues].
