

HOW OUR MINDS WERE STOLEN

Description

Please post & distribute.

MNN. Feb. 21, 2018. When our minds are forced into the evil corporate colonial brainwashing systems by churches, schools, military and government institutions, the goal is to destroy our connection to all creation. WATCH THE WHITE MAN'S GET RICH SCHEME TO STEAL FROM US:

[The 19th century get-rich-quick system](#)

HOW WE LOST OUR MIND & HOW WE'LL GET IT BACK

Our language was beaten out of us. Our language guides us te-tsi-kwa-ni-kon-ra. Colonial brain bashing was designed to prevent us from using our minds to describe complete details of our world, how to go about our lives and define ourselves.

Our language shows us what is real, how creation works, how the moon, stars, sun and everything continue to exist that we are part of. Creation gave us mental tools oni-kon-ra to make decisions by using our reason to dissect ta-sha-to-reh-ton all matters that come to us. We make decisions from our mind and not from our gut.

We don't take issues at face value, which create incomplete decisions. We learn from thousands of generations of onkwe-hon-weh minds, not from man-made words based on unproven fables.

onkwe-honwe-onwe thinking is naturally scientific, using both parts of our brain. Our parents, families, clans and people seri-wa-kwen-ies guide us to learn.

"It's OK. If I was stuck in a dead-end government job, I'd probably be every bit as sick and sadistic."
BUREAUCRAT: "I WAS CARRYING OUT ORDERS!"

We concentrate on what the language absolutely says, not the changed fake meanings that words of the foreign slave tongue are used for. We use it as it was designed, to help us to have a real understanding about all aspects of life. We seek to understand many sides of everything. We reflect on those things that make us smile or don't make us smile.

We come to understand who we are. Everything in creation is positive, weather, rain, sun, snow, and natural elements. In English everything is hateful, which is part of our brainwashing and character forming experience.

NORTH AMERICAN RESIDENTIAL SCHOOL HOLOCAUST.

For good things to happen we have to take responsibility. The colonists tried to kick out our will to help each other. We're told to, "Wait for the expert" of this and that and then pay for it. That's the [corporate] law!

One adjudicating over the other is not respect or equality. The band tribal councils can sell their birthright but not ours. The land, river, resources, everything are ours. We cannot let them give away anything for foolish privileges which the immigrants have been eroding.

AMERICANS: HEY! FIRE & FURY LIKE THE GENOCIDE OF THE NATIVES OF TURTLE ISLAND.

Band and tribal councils and their followers are fake trained automatons who are conditioned in fake spirituality and paid to do the government's dirty work.

To get our lives back we focus on who we are.

Phillip Phillips sings about the drumming long after they are gone, gone, gone:
