MNN. June 4, 2015. We can all see they are criminals and they're all going to the gulag that they built for us. TRC 'terminator" Murray Sinclair's recommendations and the Senators passing the anti-ongwe'hon:weh Bill C-51 on the same day is no coincidence. Minister of Indian Affairs Valcourt showed his disrespect for our slain missing murdered women. He refused to stand with everyone else in the room. They all took oaths to the CROWN and Canon Law, which is based on the Pope being God who owns every living thing on this earth.

"We haven't been able to locate their strike force, sir, but we did find a lost puppy named Pippin in Vestal, N.Y."

"Let's get ready to move home!"

The earth is everybody's mother. The only way you can attach yourself to your mother is through the women of your original homeland. Their children who have been away from their original part of the world are lost and cannot find their way home through mother earth herein ono'ware:geh.

If you are transplanted to somebody else's part of the earth, you need to go home and help your children to reconnect to their mother so they can be whole again. When all people do this the desecration of mother earth will end.

teiohateh is the formula for peace and perpetual co-existence between different peoples. We have

been trying since 1701 to teach the Europeans this philosophy. We went to London in 1710 to spread the teiohateh concept to the European monarchs and their people. The monarchs saw they would lose their hierarchical paternal control structure. 65 years later they engineered the first modern day “false flag” war called the American Revolution. They used their army to chop down the actual tree of peace that stood for 3,300 years at Onondaga. The tree was the physical evidence of Dekanawida and the Great Peace. Then the Europeans established the Republic of War, the USA, and set out to annihilate us.

“An island where I can store the money.”

teiohateh allowed them to live here under our protection in perpetual peace. It was and still is an experiment to use the good mind. Our goal has always been to achieve peace throughout the world for everyone.

Anyone who sees our land as something to monetize, fractionalize and rationalize has to leave and return to their own land where they will be cured of this ailment. This is the problem on earth today. They ran away from their own mothers. Like all runaways, they will never find peace until they heal with their mother. Only then can they stop desecrating their mother.

The festering pimple at 6 Nay has started to spread its roots to Ottawa. The only cure for this type of extreme diaper rash is what the immortal Bo Diddley sings: ***“You gonna be sorry that you left me alone. You’re gonna be sorry. Pack your bags and now you gone. You’re gonna be sorry. Tried everything to get along with you. You’re gonna be sorry. I tried every little thing I knew how to do. You’re gonna be sorry. You don’t love me no mo’ was the reason why you gonna go. Back Home. Go back home.”***
