

## STOP KILLING OUR CHILDREN

### Description

**Please post & distribute.**

**MNN. Feb. 9, 2018. Today the murderers of two Mohawk children, Fontaine and Colten**

**Boushie, are standing trial before their peers.**

Today we don't expect justice. The colonial Admiralty Law of the Seas system is designed to work in favor of the colonialists. Justice is a private business with courts, jails, prisons and a huge multitude of workers trained to prosecute us. The enemy justice system makes judgments against the true natural people placed here by creation.

According to the teio-ha-teh, two row agreement between our people and the invaders, we do not judge the perpetrators. We formally petition their government to investigate and find out the wrong that has been committed. Their government has a duty to make things right and compensate our people. They will decide the punishment. We had no jails, no lawyers, prisons, poor houses, orphanages, old age homes or insane asylums. We use our minds and reasonableness according to the great peace.

**CANADAIGUA TREATY 1794 ARTICLE 7:** Based on teio-ha-teh, two row relationship between us and our friends, allies and everyone on turtle island, a formal complaint is lodged against the government of the offending party to investigate the wrong that has been committed against our people. If the opposing party is guilty, the government will compensate our people and decide the punishment against their people.

They too will lodge a complaint to our people. If guilty, we will investigate, carry out the punishment and compensate them. Our goal is to make it right between us. Otherwise it will cause war.

The treaty Between the United States of America and the Tribes of Indians Called the Six Nations: "Lest the firm peace and friendship now established should be interrupted by the misconduct of individuals, the United States and the Six Nations agree, that for injuries done by individuals, on either side, no private revenge or retaliation shall take place? but, instead thereof, complaint shall be made by the party injured, to the other? by the Six Nations or any of them, to the President o the United States [Prime Minister of Canada], or the superintendent by him [them] appointed? and by the superintendent, or other person appointed by the President [or Prime Minister], to the principal chiefs of the Six Nations, or of the Nation to which the offender belongs?

All misconduct or disagreements are dealt with in this way.

We the natural people have to exercise our own ways based on the kaia-nere-kowa, great peace, which covers all of turtle island. We are not criminalized or called terrorists because we are trying to protect all life on turtle island.

The enemies must RESPECT the true natural people and all life here or return from hence you came.

Come on, everybody, sing “Respect” along with Aretha Franklin.” *What you want Baby, I got it. What you need. Do you know I got it. All I’m askin’ Is for a little respect when you get home (just a little bit). Hey baby (just a little bit) when you get home (Just a little bit) mister (just a little bit). I ain’t gonna do you wrong while you’re gone. Ain’t gonna do you wrong cause I don’t wanna. All I’m askin’ Is for a little respect when you come home (just a little bit). Baby (just a little bit) when you get home (just a little bit). Yeah (just a little bit)”.*
