Services Conference.
(Your Memorandum of September 20th.)

I should be obliged if you would
We have two topics that we would be prepared to present at the Services Conference:

1. I could speak on the following subject:

Ethno-criminology - changing patterns of criminality from primitive
to modern society.

(No preference as to date).

2. My staff and I would be ready to give a preliminary report on "The Family and
Criminality", a paper we are presenting at our Third Research Conference on
Criminology and Delinquency.

(First or second week of November.)
